Abstrak

The Organization of the Islamic Conference (OIC) is a non-military international organization. The organization was formed because of the burning of Al Aqsa Mosque located in Al-Quds City (Jerusalem), Palestine, Provoked a strong reaction of the world. Especially from among Muslims. The city of Jerusalem is the Holy City for Muslims, Christians and Jews. No exaggeration when the City of Jerusalem gets the nickname of the City of God, because almost all the nations on earth is oriented to it. Thus all feel the possession of the city of Jerusalem, both Muslims, Christians and Jews, so that the movement of religious activities of the three major world religions can co-exist even if war continues in the region. In this case the OIC as an International Regime is engaged in various cooperation and diplomacy in order for the conflict in Palestine to be resolved and the Palestinians gain the recognition of the complete sovereignty over their independence.
