Acknowledgement

In the name of Allah, the Most Gracious and the Most Merciful

Alhamdulillah, all praises to Allah who gives me such knowledge, ability, strengths and His blessing in completing this thesis. Without His kind help I would be unable to finish this thesis for granting the Bachelor Degree.

I dedicate this to my grandfather, Joyo Pawiro, in memoriam. It was not more than twice I could see him during my life. However, his love, precious advices, and motivation for me will never forget.

I would like to express my deepest gratitude to my beloved parents; Mr. Budiman and Mrs. Suniyem for their endless love, prayers, and encouragement. Also not forgetting my sister, Riza Reni Afaza for her kindness, support and motivation.

Special gratitude goes to my supervisor, Ms. Indah Puspawati, M. A., for her supervision, understanding, and support. I am grateful working with her. I would also like to thank my first examiner, Mr. Puthut Ardianto, M. Pd, for the suggestions and showing interest in my research. Not forgotten, my second examiner, Mr. Endro Dwi Hatmanto, Ph. D. for his valuable and kind advice regarding the topic of my research. Words can never be enough to thank your kindness for three of you.

I would also like to express my appreciation to the Dean, lecturers, and office staffs of English Education Department of Universitas Muhammadiyah Yogyakarta for their help and cooperation.

Sincere thanks to all my friends, especially Aisyah, Yulnada, and housemates for their suggestions and moral support. Then, thanks to Amazing class 2013 as well for the friendship and memories that we had almost four years.
