Acknowledgment

Alhamdulillah, praise be to Allah the Almighty and the most Merciful that because of his blessing I could finally finish my *skripsi* to attain the degree of *Sarjana Pendidikan* in English Language Education at Universitas Muhammadiyah Yogyakarta. Moreover I would like to express my gratitude and love to Rasulullah *sallallahu 'alaihi wassalam* who exemplifies good role model for my life.

The next gratitude focused on “real hero” in my life, Mr. Hamzah Taeba and Mrs. Zuraida, who always give support in all respect, especially related to my education. I am also very grateful to have parents who give love and affection that had never ended. Moreover my gratitude points out to my siblings Adin, Ajat, Atira, Ana, Alfat and Agni for your supporting during began to write my *skripsi* until finished. I am really grateful to have them in my life.

I would like to express my highest gratitude and appreciation to Ms. Indah Puspawati who has been very helpful, kind and patient in giving me advice, ideas, guidance, assistance and valuable time during the process of writing this *skripsi*. Writing *Skripsi* is not easy, but with different way of her consultation that was not directly have challenged me to be better. This way trained me more autonomous learning, self correctness on the mistakes that I have done in the process of writing *Skripsi*. Expectedly, This process collected can improve and develop my writing my writing other research in the future.

Moreover I also thanked to my examiner who have provide advices, feedback in my *skripsi* to be better, and I want to thank to my participants, PBI

UMY batch 2014 especially for Asik, Pety and Puji who have really helped me in my questionnaire deployment. And I want to say my gratitude to *Keluarga Besar PBI*, lectures who have provided useful knowledge, skill improvement and behave well to me and my beloved little family, Class D 2013, have been together from the beginning until now, for playing, learning and discussion. Our friendship are expected to be continue after we have completed our study later.

My appreciation also belongs to my organization that I have ever been involved within, EDSA (English Department of Students Association) and SEA (Students English Activity). EDSA provides the ability for me how to be a leader in important event and how to deal with the problems there. SEA provides an opportunity for me to gain experience abroad that enriched my link in the future.

Finally, I realize that this *skripsi* so far from being outstanding. Therefore, I invite you as the readers to give comments and suggestion from those are deeply concerned in such topic. Moreover, I expect this *skripsi* will give worthwhile contribution to all readers.

Abstract

Teaching English has become frequently performed by both students and teacher in the classroom. However, teaching English that involves content of culture needs to be explored in the classroom especially for cultural variations and benefits of cultural awareness in English as a foreign language teaching. In line with this issue, the researcher wants to find out students' awareness of cultural variations and students' perceptions on benefit of cultural awareness to students. The methodology used in this research was descriptive quantitative with convenient sampling. The research was carried out at English Education Department of Universitas Muhammadiyah Yogyakarta, and there were 108 participants who are involved in this research. The questionnaire was used to obtain the data from the students. The result showed that students' awareness of cultural variation is in good and moderate level in concerning cultural variation in behavior, value and communication. The students have learned part of cultural variation such as body language, custom, social rule, attitude and interaction. Concerning the benefit of learning cultural variation, the result showed that benefit of cultural awareness is usually felt by students in English as a foreign language that consisted of understanding and respecting culture, affective and communication. The students have felt that benefit of cultural awareness such as understanding, respecting, misunderstanding avoided, enthusiasm, motivation and feeling to similarities and differences of own culture and others.

Keywords: cultural awareness, cultural awareness in EFL, cultural variations, cultural benefit.
