

Acknowledgement

Alhamdulillah, Thanks to Allah who always bless strength, gives mercy, and provides opportunity for me to complete this *skripsi* entitled “Oral Feedback Given by the Lecturers of EED UMY During Teaching Learning Process.”

My deepest and greatest gratefulness goes to my parents, Nelvia anwar and Rizki Candra, to whom I obliged most of everything, obviously. They gave loves, affections, prayers, encouragements, and million other things that beyond my ability to put them into words. I dedicate this *skripsi* to them. I hope you are proud of me just like I am proud of myself.

I am grateful to my beloved sister, Rizka Candra, who have provided me through moral and emotional support in my life. I am also grateful to my other family members who have supported me along the way.

I especially indebted to my supervisor and the best lecturer I have ever known, Miss. Sri Sudarsi, M.In.T., who has taught me more than I could ever give her credit for here. I also want to thank my *skripsi* examiners, Miss Puput Arfiandhani, MA. and Miss. Noor Qomaria Agustina, M.Hum. for providing support, as well as some fruitful feedbacks for my *skripsi* to make it even better. Moreover, I would like to thank all of the lecturers of EED of UMY for precious knowledges and lessons they taught me in these four years.

My appreciation belongs to the respondents of this study who provided me the data for this work.

A very special gratitude goes to my friends of Class D 2013 Family for their unfailling support and assistance.

Last but by no mean least, I thank Eichiro Oda, for his work, One Piece, has been being the source of my life inspiration and encouragement.
