Acknowledgement

I thank to Allah for the blessing, guidance and health to me so that I can accomplish this research. Many parties had helped me in completing this *skripsi*. Therefore, I would like to declare my gratitude for them.

Firstly, I would like to express my deepest gratitude and appreciation for Mr. Gendroyono, S.Pd.,M.Pd. as my advisor. Because of his help, guidance, advice, and encouragement, I can manage to accomplish this research. May Allah give him reward to what he has done. Furthermore, I also would like to say thanks to my examiners, Ms. Jecky and Mr. Endro who had given advices that made my *skripsi* better. Then, I also would like to say thanks to all the lecturers at EED of UMY who had taught me patiently and passionately. In addition, I also would like to say thanks to all the staff members who helped me in completing all of the documents needed.

Articulately, I would like to express my gratitude gladly to my beloved parents, bapak Tomari and ibu Tasriyah who support me financially and mentally in finishing my education. I also would like to thank to my aunt Puji, my sisters Lela and Alfi, and my brother Aziz who always support and cheer me up.

Special thanks go to Vernanda and Akih who help checking the grammar and APA in this research. Also special thanks to Billy, Ocil, Anja, Anis, Rifa, Fitri, and Pina who always break out my anxiety and make my day more colorful. Lastly, thanks to all member of Extraordinary class for the support which had been given for me.

I do really appreciate all of the support and help. This research had been accomplished because of all of your support and help. Finally, I hope this research gives many benefits for everyone who read this research.
