Acknowledgement

First of all, I would like to express my sincerest and deepest gratitude to Allah SWT because of strength and bless that Allah gives to me, so I could accomplish this research. Furthermore, I thank for my supervisor Puthut Ardianto, S. Pd., M. Pd. for his patience, motivation, and guidance. His valuable guidance helped me in all the time of writing this research. Besides my supervisor, I would like to thank the *skripsi* examiners, Puput Arfiandhani, S. Pd., MA and Maryam Surohoti, S. S., M. HSc who strongly gave me insightful comments and encouragements which helped me to complete my research from various perspectives.

I would like to thank the lecturers and the staff of EED UMY for sharing their priceless time, knowledge, inspiration, and experiences during my study in EED of UMY. In addition, I also would like to thank the participants of this research. This research cannot be done without your help and cooperation.

I dedicated this research to my amazing parent Bapak Rusdi Nudi and Ibu Nasriah, my beautiful sister Dinda Madani, and my super brothers Nobel Sidiq and Alif Djaba Graha for supporting me throughout my life. Furthermore, I thank my second family at the American Corner UMY and Warung Perancis UMY who always become the best place for me to play and learn for these past three years during my time in Yogyakarta.

The last but not least, I want to extend my deepest appreciation to my dearest fellows Rilly, Vinda, Ghina, Agus, Taqwa, Vernanda, Mala, Chory, Jeni,

Shary, Mila, Haikal, Widya, Anna, Mitra, Nillah and Oji. Thank you for your endless support and love. You are guys are rock. I had so much fun in the last four years with you.
