P	Waalaikumsalam, apa yg bisa saya bantu mbak?			
R	Iya ini saya mau jadiin mas nya participant untuk interview buat penelitian saya. Oh iya, mas tinggalnya dimana dan sama siapa?			
P	Iya mbak, <u>saya tinggal dikontrakan, kebetulan dengan adik sepupu (P1.1)</u>	The place where the student live in.	I live in rent house, with my cousin	P1.1 In the rent house
R	Oh begitu jadi masnya ngontrak ya, langsung aja ya pertanyaan pertama: Kira-kira dalam satu semester ini udah berapa kali absen ya?			
P	Hehe iya mbak, <u>adalah enam kalian mbak hehe (P1.2)</u>	The number of student’s absenteeism	It’s about six meetings	P1.2 Six meetings

			(P1.2)	
R	Wah lumayan ya mas hehe. Itu secara keseluruhan atau dalam satu mata kuliah ya?			
P	Dikit mbak hehe, <u>Satu mata kuliahnya mbak, di mata kuliah Principles of Teaching and Learning.</u> <u>(P1.3)</u> Kan kalo lebih dari empat hari tu prodi kita ga boleh mbak hehe langsung dapet D saya mbak.	The number of student's absenteeism	In one subject, that is Principles of Teaching and Learning (P1.3)	P1.3 One subject
R	Iya bener mas kalo keseringan dapet D. Untuk mata kuliah lain ada lagi yang absennya banyak, mas?			
.P	Ada mbak, <u>di mata kuliah Journalism. Saya udah bolos lima kali juga</u> <u>(P1.4)</u>	The number of student's absenteeism	In Journalism, I had absent for five	P1.4 Five meetings absent in one subject

			meetings (P1.4)	
R	Oh iya mas, bisa dikasih tau mas alasan apa yang menyebabkan masnya absen ssmpe enam hari itu?			
P	Biasalah mbak saya kan ngekos nih. <u>Kadang kalo mata kuliah jam tujuh gitu menurut saya kepagian mbak. Jadi saya suka kesiangan, ya dari pada udah telat lima belas menit kan biasanya dosen ga bolehin masuk.(P1.5)</u> Jadi ya sekalian aja. Dari pada dateng tapi ga boleh tanda tangan kan jadi mending udah sekalian ga masuk.	The factor of students' absenteeism	I came late to the class (P1.5)	P1.5 Lateness
R	Oh jadi itu alesannya ya			

	mas makanya suka absen dari kampus. Enam hari itu gara-gara kesiangan semua?			
P	Enggak mbak, Cuma sehari aja yang gara-gara kesiangan.			
R	Terus, sisanya gara-gara apa ya mas?			
P	<u>Saya waktu itu terpaksa mudik mbak, aku pulang ke rumah karena harus merawat ibu yang sakit.</u> <u>(P1.6)</u>	The factor of students' absenteeism	I came back to my hometown because I want to taking care my mother (P1.6)	P1.6 come back to students' hometown to taking care his mother
R	Oh, lima pertemuan gak masuk gara-gara pulang kampung berarti mas ya?			
P	Iya gitu mbak, sekitar satu bulanan soalnya pulang			

	kampungnya waktu itu.			
R	Oh gitu ya mas jadi alasanya gak masuk mata kuliah Principles of Teaching and Learning sampe enam kali. Terus gimana sama mata kuliah satunya, Mas? Alasanya gara-gara apa?			
P	<u>Kadang ya itu doseennya saya kurang suka(P1.7).</u>	The factor of students' absenteeism	I don't like the teacher (P1.7)	P1.7 student doesn't like the teacher
R	Gak suka kenapa, Mas?			
P	Ga sukanya gini. <u>Cara ngajarnya sih enak tapi tugasnya misal ngasih tugas yang banyak dan susah tapi dikasih waktu ngerjainnya cuma seminggu(P1.8).</u> Ya gimana kan ga mungkin mbak mau ngerjain. Ngumpulnya besok atau dua hari kemudian, ya kurang sih nilainya tapi yang penting hari itu selamat dulu. <u>Ada lagi tapi kalo cuma konsultasi gitu nah itu lebih enak lagi mbak kalo mau kabur (P1.9),</u> kan cuma konsultasi biasanya saya belum bikin. Nah saya konsul minggu depannya lagi sekalian banyak gitu. R	Ya ampun hehe gitu ternyata. Terus yang bolos-bolos hari berikutnya alasannya apa, Mas?			
P	<p>Kebanyakan gara-gara itu.</p> <p><u>kalo untuk alasan males biasanya didasari rasa kecewa sama dosennya, contoh kayak kemarin dosen jurnalistik pernah gak masuk beberapa minggu berturut-turut.</u></p> <p><u>(P1.10)</u></p> <p><u>Terus tiba-tiba ngadain make-up class dengan waktu yang gak bisa aku hadirin karena bentrok ada jadwal kelas yang</u></p>	The factor of students' absenteeism	I feel disappointed to the teacher because the teacher not attends the class for a couple of weeks(P1.10)	<p>P1. 10 Student feels dissapointed with the teacher</p> <p>P1.11 student could not attend the make up class because the</p>

R	<p>Oh gitu, jadi berapa hari Mas yang gak masuk waktu make up class itu?</p>			
P	<p>Kalo ditotal nih ya, sehari gara-gara belum ngerjain</p>			

	tugas. Tiga pertemuan gara-gara make up class yang bentrok. Satunya itu bolos karena ada acara.			
R	Acara apa ya Mas kok sampe bolos kuliah?

R	Hehe gitu ya mas. Jadi banyak penyebabnya juga mas nya ga masuk ya. Gimana mas, masih ada yang perlu ditambahin lagi?			
P	kayanya udah deh mbak alesan saya bolos itu aja hehe			

R	Oke mas. Dari semua alasan gak bolos tadi, apa orang tua tau atau ijin dulu ke dosennya gak?			
P	<u>Gak Mbak. Walau saya tiap hari contact sama orang tua, tapi gak pernah bilang kalo bolos. (P1.13)</u>	Permission to be absent from the class	Eventhough I always contact my parents everyday, I never talk to them if I'm not attend the class (P1.13)	P1.13 Student does not attend the class without permission

P	Walaikumsalam warrahmatullahi wabarakatuh. Iya, gimana Mbak?			
R	Hehe jadi gini saya mau jadiin mbak participant buat interview di penelitian saya. Oh iya, mbaknya tinggal dimana ya dan sama siapa?			
P	<u>Saya tinggal di Jogja, dan kebetulan tinggal dirumah sendiri</u>	The place where the student live in.	I live in my own house with my parents (P2.1)	P2.1 In the parents' house

	<u>sama orang</u> <u>tua.(P2.1)</u>			
R	Oh begitu ya jadi ada yang selalu mengawasi kegiatan perkuliahannya ya mbak. Tapi, selama semester ini, apakah anda pernah absen atau tidak mengikuti pelajaran di dalam kelas?			
P	Iya selalu diawasin sama orangtua, apalagi kegiatan kuliah. Pernah sih mbak hehe lumayan sering.			
R	Oh lumayan yah mbak. Boleh disebutkan mbak sudah berapa kali?			

P	<u>Ya adalah 5 pertemuan gitu.(P2.2)</u>	The number of student's absenteeism	It's about five meetings (P2.2)	P2.2 Five meetings
R	Lumayan ya mbak, langsung aja nih hehe pertanyaan pertama ya mbak, bisa disebutkan apa saja alasan yang menyebabkan mbak nya bisa absen dari kegiatan perkuliahan?			
P	Banyak faktor sih. <u>Tapi kebanyakan karena faktor kondisi yang kurang sehat, bahkan sampai dirawat dirumah sakit, dan itu menyebabkan saya</u>	The factor of students' absenteeism	- The factor is because my health condition, and sometimes I have to be hospitalized, and it makes	P2.3 Students' health problem

	<p><u>untuk absen dari kegiatan perkuliahan.(P2.3)</u></p> <p>Belum lagi faktor lain, <u>misalnya biasanya hari rabu itu saya selalu pulang sore karena jadwal kuliah yang full, namun sering juga karena ada yang mata kuliahnya 4sks diwaktu pagi hari, namun dosennya tidak hadir dan dilanjutkan dengan mata kuliah siang pada jam setengah 2, dan jika menunggu dikampus itu</u></p>		<p>me absent.</p> <p>- Usually on Wednesday, my schedule is always full until afternoon, because I have 4 credits and 2 credits subject in that day, and I choose to waiting in my house rather than in the campus.</p> <p>But, I'm so lazy to comeback to the college,</p>	<p>P2.4</p> <p>Lazy/truancy</p>
--	---	--	---	---------------------------------

	<p><u>membutuhkan</u> <u>waktu yang sangat</u> <u>lama..sedangkan</u> <u>saya sangat malas</u> <u>jika menunggu</u> <u>dikampus, saya</u> <u>pulang kerumah,</u> <u>namun ketika saya</u> <u>sudah pulang</u> <u>kerumah, dan</u> <u>untuk datang</u> <u>kekampus lagi saya</u> <u>malas, dan</u> <u>biasanya juga saya</u> <u>memutuskan untuk</u> <u>absen dari kegiatan</u> <u>kuliah(P2.4).</u></p>		<p>that's why I'm absent from the class.</p>	
<p>R</p>	<p>Selain yang disebutkan tadi, apa ada yang ingin ditambahkan lagi mbak?</p>			

P	<p>Belum juga faktor yang tidak diinginkan, <u>misalnya ban motor saya pecah, mau tidak mau saya harus menggantinya, dan biasanya saat pagi hari itu banyak sekali bengkel yang belum buka, dan saya memutuskan untuk absen dari perkuliahan (P2.5)</u></p> <p><u>Lalu misal ada acara keluarga dan saya dipaksa untuk ikut, saya pun harus absen lagi dari perkuliahan.(P2.6)</u></p>	The factor of students' absenteeism	<ul style="list-style-type: none"> - I got flat tire, and I have to fix it by going to the workshop, but in the morning most of them are not already opened, so I choose to be absent from the class. - If there is family event and my parents force me to attend, so I have to absent from my class. 	<p>P2.5 Environment cause</p> <p>P2.6 Family event</p>
---	--	-------------------------------------	--	--

R	Oh gitu ya mbak, acara keluarga yang seperti apa ya mbak?			
P	<u>Saya pernah datang ke pengadilan mbak, jadi saksi buat kakak saya. (P2.7)</u>	The factor of students' absenteeism	I attend to the court as a witness for my brother (P2.7)	P2.7 Family event
R	Oh jadi banyak ya faktor-faktor yang menyebabkan mbaknya ga masuk kuliah. Tadi kan disebutkan ya mbak, kalo mbaknya tinggal sama orang tua jadi kan orang tua selalu mengawasi, nah misalnya ada kejadian seperti di poin kedua,			

	<p>mbaknya gak masuk karena males jam kuliahnya punya jeda banyak, itu orang tua kasih ijin buat bolos atau gimana mbak?</p>			
P	<p><u>Iya orang tua sih tau. Kalo saya sakit gitu orang tua tau mbak saya bolos malah disuruh kan untuk istirahat saja dulu dirumah.</u></p> <p><u>(P2.8)</u> Nah kalo soal males karena jeda banyak itu alesan saya suka pura-pura sakit perut mbak hhe</p> <p><u>terus kalo soal pecah ban atau males gitu kadang</u></p>	<p>Permission to be absent from the class</p>	<p>- My parents know that I'm not attend the class if I got sick, my parents ask me to take a rest in our house</p> <p>- But, if I got flat tire or lazy to attend to the class, I</p>	<p>P2.8 With permission from the parent</p> <p>P2.9</p> <p>Without permission from the parent</p>

	<p><u>orang tua ga tau</u></p> <p><u>hehe(P2.9)</u> ya bisa dimarahin kan mbak kalo tau hehe</p>		<p>dont let my parents know.</p>	
R	<p>Iya mbak paham-paham hehe. Tadi kan juga disebutkan pernah tidak masuk kuliah karena acara keluarga, nah itu acara keluarga seperti apa ya mbak?</p>			
P	<p><u>Biasanya acara nikahan keluarga mbak, tapi yang acaranya bukan didaerah jogja, (P2.10)</u> misalnya didaerah yang jauh, yang harus membutuhkan waktu yang begitu lama</p>	<p>The factor of students' absenteeism</p>	<p>- Usually I attend wedding ceremony with my family but it was not be held on Jogja.</p> <p>- Then, I was</p>	<p>P2.10 Family event</p> <p>P2.11 Family event</p>

	<p>untuk perjalanan pergi kesana. <u>Terus</u> <u>misal ada acara</u> <u>yasinan keluarga</u> <u>tiap tahunnya</u> <u>untuk</u> <u>memperingati</u> <u>bulan</u> <u>meninggalnya</u> <u>kakek,</u> <u>mbak.(P2.11)</u></p>		<p>attending an event to commemorat e the death month of my grandfather.</p>	
R	<p>Oh gitu ya. Iya wajar aja kalo acaranya jauh jadi harus absen ya. Gimana mbak, sudah cukup atau ada yang mau ditambahin lagi?</p>			
P	<p>Kayanya cukup deh mbak hehe cuma itu itu aja soalnya alesan kalo aku absen dr</p>			

	kegiatan kuliah hehe			
R	Kalau begitu interviewnya bisa kita anggap selesai ya mbak. Terima kasih udah dibantu sayanya.			
P	Iya sama-sama mbak.

P	Walaikumsalam wr wb. Mau nanya apa nih mbak hehehe			
R	Saya mau ngucapin terima kasih banyak ya mbak udah luangin waktunya buat jadi participant saya. Sebelumnya saya mau tanya mbak, disini kuliah tinggal sama siapa dan dimana ya mbak?			
P	Iya mba salam kenal juga hhe, <u>disini saya tinggal sendiri mba, ngekostnya didaerah</u>	The place where the student live in.	I live alone in the rent house, in the back of the campus.	P3.1 In the rent house

R	Lumayan ya mbak hehe. Bisa dikasih tau ga mbak ke saya. Apa saja alasan yang menyebabkan mbaknya tidak ikut kegiatan perkuliahan?			
P	<p><u>Kebanyakan sih gara2 sakit ya mbak.</u></p> <p><u>(P3.3)</u> Jadi kan ga mungkin gitu mau masuk kuliah kalo lagi sakit nanti ga konsen juga pikiran kemana mana hehe jadi mending istirahat dikost gitu mbak.</p> <p><u>terus pas pertamanya kuliah semester ini tuh, kan saya belum dikirimin</u></p>	The factor of students' absenteeism	<ul style="list-style-type: none"> - Most of the reasons is because of medical reason. R	<p>Tadi kan mbak bilang</p> <p>alasan-alasannya ada</p> <p>yang karena sakit dan</p> <p>susah kendaraan ya.</p> <p>Itu bolosnya dengan</p> <p>sepengetahuan orang</p> <p>tua dan ijin dosen apa</p> <p>enggak mbak?</p>			
P	<p><u>Kalo sakit sih bilang</u></p> <p><u>mbak sama orang</u></p>	<p>Permission to be</p> <p>absent from the</p>	<p>- If I got sick,</p> <p>I tell it to</p>	<p>P3.7 With</p> <p>permission</p>

R	Oh begitu jadi ada yang sepengetahuan			

	<p>orang tua dan dosen tapi ada juga yang tidak. Oh iya mbak. Selain alasan yang sebelumnya, ada alasan tambahan lagi apa gimana?</p>			
P	<p><u>Oh iya hmmm ada mbak. Jadi waktu itu ada acara keluarga liburan gitu ke jakarta jadi saya ga masuk.(P3.9)</u> Nah untungnya itu di hari hari hampir weekend gitu jadi saya bolosnya dikit. Sisanya emang lagi jadwal kosong kuliah. <u>Terus pernah juga kan waktu itu ada keluargaku ke jogja,</u></p>	<p>The factor of students' absenteeism</p>	<p>- I went to Jakarta to holiday with my family so I'm not attend the class (P3.9)</p> <p>- I accompany my family as a tour guide to holiday in Jogja, so</p>	<p>P3.9 Family event</p> <p>P3.10 Family event</p>

R	<p>Lumayan ya mbak refreshing hehe. Ada jawaban tambahan lagi tentang pertanyaan saya ini mbak?</p>

P	<p>Aduh banyak mbak soalnya suka berhalangan masuk.</p> <p><u>Hehe ada kali 10 kali deh mbak iya kurang lebih segitu, tapi beda makulnya itu dua makul bukan satu (P4.2)</u></p>	The number of student's absenteeism	It's about ten meetings in different subject (P4.2)	P4.2 Ten meetings
R	<p>Lumayan juga mbak kalo sampe 10 kali.</p> <p>Bisa disebutkan mbak alasan-alasan apa saja yang menyebabkan mbaknya jadi bolos</p>

P	<p>kalo saya sih sakit ga jadi halangan ya mbak, saya pernah demam atau cuma pilek masuk angin gitu tetep masuk mbak.</p> <p><u>Sebenarnya saya suka ga masuk gara2 kegiatan kampus, kaya organisasi gitu. kan kadang jadwalnya bentrok sama jadwal kuliah.(P4.3)</u> Ya saya pilih organisasi lah mbak. R	Assalamualaikum warrahmatullah wabarakatuh. Perkenalkan nama saya Rahmihardia Yuningtya dari Angkatan 2013 mahasiswi semester 8 dari Prodi Pendidikan Bahasa Inggris. Terima kasih karena sudah menyempatkan waktunya untuk wawancara ini. Jadi, judul penelitian saya ini adalah “The			

	Factors that Trigger Students' Absenteeism at English Education Department of UMY Batch 2013".			
P	Walaikumsalam,			
R	Makasih ya mas udah mau jadi participant saya, oh ya mas mau tanya dulu. Disini tinggalnya sama siapa ya?			
P	<u>Bareng-bareng temen mbak, ngontrak satu rumah (P5.1)</u>	The place where the student live in.	I live in the rent house with my friend (P5.1)	P5.1 In the rent house
R	Oh gitu, jadi gak sama orang tua ya mas. Pertanyaan selanjutnya, saya			

	<p>mau nanya, selama mas kuliah di PBI, apa alasan yang buat mas nya bolos gak masuk kuliah?</p>			
P	<p>oh iya ini jadi pernah sih jadi waktu itu saya ga masuk dua hari berturut turut.</p> <p><u>Gara gara hujan deres banget (P5.2).</u></p> <p>Nah kostan saya kan di seberang ya mbak nah saya ga masuk. Soalnya ya saya mikir keselamatan juga. Masa hujan badai saya terobos. Kalo hujan doang saya bisa pake jas hujan ngegas motor sampe. Nah kalo ada</p>	<p>The factor of students' absenteeism</p>	<ul style="list-style-type: none"> - I'm not attend the class because of the rain (P5.2) - The second day is because the street in front of my house was damaged (P5.3) 	<p>P5.2</p> <p>Student does not attend the class because of the rain</p> <p>P5.3</p> <p>Student did not come to the class because the road was damaged</p>

	<p>badai nya ya ga berani mbak. Itu hari pertama ya, <u>nah</u> <u>hari kedua nya itu</u> <u>gara-gara kostan</u> <u>saya kan jalannya</u> <u>ada perbaikan gitu</u> <u>ya mungkin gara</u> <u>gara hujan</u> <u>kemarannya itu.</u> <u>Jadi kaya di gali</u> <u>itu. Nah hari itu</u> <u>saya ga masuk</u> <u>mbak soalnya ga</u> <u>bisa lewat mbak</u> <u>jalan nya di</u> <u>perbaiki (P5.3).</u></p>			
<p>R</p>	<p>Oh gitu, jadi karena pengaruh cuaca. Selain karena cuaca, ada alasan lain lagi kah mas?</p>			

<p>P</p>	<p>Ada sih mbak. Tapi kalo saya bilang, nama saya aman kan?</p>			
<p>R</p>	<p>Iya aman, Mas. Saya kan butuh informasinya aja, nama participantnya emang dirahasiain Mas. Emang kenapa?</p>			
<p>P</p>	<p><u>Saya tuh sering malas masuk karena waktu pelajaran bapak itu membosankan. Jadi ya power point-able gitu.</u> (P5.4) Terus kadang dia gak cek absennya di awal. Tapi itu dulu sih. <u>Nah,</u></p>	<p>The factor of students' absenteeism</p>	<p>- I often not attend the class because the way teacher teach me is too boring and always take a look at his power point (P5.4) - The teacher is</p>	<p>P5.4 Student is not attend the class because the teacher is not interesting.</p>

	<p><u>karena dia gak sering cek absen jadi celah buat saya sama temen buat bolos. (P5.5)</u> Tapi kadang apes juga sih, giliran kita bolos, bapak itu malah rajin banget ngabsen. Malah waktu udah 15 menit dia kunci pintunya.</p>		<p>often not check the attendance list and it's being my reason to not attend the class(P5.5)</p>	<p>P5.5 The teacher is not check the attendance list</p>
<p>R</p>	<p>Jadi begitu ya Mas masalahnya. Jadi sudah ada dua alasan ya Mas, pertama karena cuaca dan yang kedua karena dosen yang kurang menarik dan sering tidak mengecek absensi. Apa masih</p>			

	ada alasan yang mau ditambahkan Mas?			
P	Sebentar ya mbak saya ingat-ingat dulu. Nanti saya chat lagi.			
R	Oke Mas. Saya tunggu.			
P	<u>Mbak, jadi dulu saya pernah gak masuk juga gara-gara nonton konser tulus. (P5.6)</u> gak tau kenapa tiap saya bolos itu pasti bertepatan sama kelasnya bapak itu. bukan disengaja sih, tapi ada aja alasan yang bikin saya bolos pas pelajaran beliau.	The factor of students' absenteeism	I ever not attend the class because I went to the concert (P5.6)	P5.6 Student is not attend the class because attending the concert

<p>R</p>	<p>Ya ampun mas hehe. Jadi pernah juga bolos gara-gara nonton konser ya. Di mata kuliah lain ada lagi gak mas yang suka bolos? Bisa dijelaskan alasannya apa?</p>			
<p>P</p>	<p>Gak ada mbak. Saya itu bolosnya kalo mata kuliah siang ke sore itu. dan yang jamnya sore ya cuma jamnya beliau. Karena saya udah banyak bolos di makulnya beliau, jadi saya keseringan bolos juga kan udah terlanjur. <u>Saya suka bolos akhirnya dan</u></p>	<p>The factor of students' absenteeism</p>	<p>I often not attend the class because I'm jogging in the afternoon (P5.7)</p>	<p>P5.7 Student is not attend the class because of doing sport</p>

	<u>sorenya saya lari gitu, olahraga mbak hehe. (P5.7)</u>			
R	Oh begitu ya, Mas. Apa ada yang mau ditambahkan lagi Mas?			
P	Kayanya udah deh mbak hehe sudah cukup.			
R	Oh iya hampir lupa jadi total gak masuknya sekitar berapa harian ya?			
P	<u>Lebih dari enam pertemuan yang jelas Mbak (P5.8)</u>	The number of student's absenteeism	It's more than six meetings (P5.8)	P5.8 More than six meetings
R	Oh enam harian ya. Itu semuanya ada ijin dari orangtua atau dosen gak ya?

R	<p>Oh iya mas, apa ada informasi yang mau ditambahkan lagi?</p> <p>Mungkin tadi ada yang lupa disebutin.</p>			
P	<p>Udah gak ada lagi mbak</p>			
R	<p>Kalo udah gak ada yang mau ditambahkan lagi, saya cukupkan interviewnya ya</p> <p>Mas. Makasih banyak atas waktu dan partisipasinya.</p>

	<u>telat dan akhirnya gak masuk. (P6.2)</u>		the class (P6.2)	
R	Apa hampir setiap gak masuk karena kesiangan Mas?			
P	Enggak juga. Tapi kebanyakan karena kesiangan. <u>Pernah saya gara-gara kesiangan gak masuk, dan ternyata hari itu bagi kelompok peer work gitu. Saya gak kebagian. Jadi minggu depannya lagi saya gak masuk lagi karena gak dapat teman satu kelompok. (P6.3)</u>	The factor of students' absenteeism	I ever wake up late and not attend the class. unfortunately, in that day the teacher ask student to do peer work. And I dont have a peer group. So, i'm not attend the class in the following week because I dont have a friend to do the task in pair. (P6.3)	P6.3 student does not attend the class because student doesn't have friend to work in pair
R	Gak nyoba pasang alarm aja Mas? Kan			

	sayang kalo kesiangan terus jadi suka bolos.			
P	Udah mbak. Tapi gak ngefek.			
R	Oh gitu, selain alasan yang disebutkan sebelumnya. Apa ada alasan yang lain lagi Mas?			
P	Ada dong. Jadi di mata kuliah tambahan kaya Teaching English for Young Learners saya udah gak masuk 6 kali. Makul Tourism juga gak berangkat 6 kali. <u>kalo alasan gak masuk TEYL itu karena jadwalnya bentrok sama kuliah saya yang satunya.</u>	The factor of students' absenteeism	I'm not attend in TEYL class because the schedule is same with my schedule in another campus. It's because I take double degree in another univesity. (P6.4)	P6.4 Student does not attend the class because student take double degree in another university

	<p><u>Kan saya ambil double degree juga di kampus lain. (P6.4)</u></p>			
R	<p>Jadi kalo jadwalnya bentrok gitu gimana bagi waktunya biar kuliahnya tetep jalan Mas?</p>			
P	<p>Ya susah. Disini banyak bolos, disana juga sama aja banyak bolosnya. <u>Kadang aku belum ngerjain tugas buat kuliah yang di kampus A, padahal tuganya penting. Jadi aku pilih gak masuk aja di PBI, yang penting tugas itu selesai dulu. Nanti gantian gitu</u></p>	<p>The factor of students' absenteeism</p>	<p>Sometimes my homework at campus A has not been done and it's an important homework. So, I choose to not attend the class at EED to finish my homework. Another time, I attend the class at EED, but not attend at campus A.</p>	<p>P6.5 student does not attend the class to finish the homework.</p>

	<u>besok masuk di PBI</u> <u>tapi gak masuk</u> <u>disana. (P6.5)</u>		(P6.5)	
R	Oh begitu. Nah kalo mata kuliah Tourism kenapa suka gak masuk juga?			
P	<u>Yang pertama</u> <u>karena memang</u> <u>enggga terlalu mood</u> <u>buat masuk (P6.6)</u> <u>terus yang kedua,</u> <u>karena belum terlalu</u> <u>suka sama mata</u> <u>kuliahnya. (P6.7)</u>	The factor of students' absenteeism	- First is because I'm not interest to attend the class (P6.6) - Second is because I'm not really interest in the subject (P6.7)	P6.6 Student does not interest to attend the class P6.7 Student does not really interest in the subject
R	Bisa dijelaskan gak mas, gak mood dan			

	gak sukanya kenapa?			
P	<p><u>Masih belum percaya diri aja, kan tourism itu disuruh public speaking. Suruh cerita ke depan, mungkin karena saya kurang latihan jadinya minder, bukan karena males loh ya yang ini. (P6.8)</u></p>	<p>The factor of students' absenteeism</p>	<p>I am not confident to speak in public at Tourism class. The teacher asks me to speak up. Maybe I'm not intense in practicing, so I feel unconfident but it's not because I'm lazy. (P6.8)</p>	<p>P6.8 Student does not attend the class because student feel unconfident</p>
R	<p>Oke. Setelah itu ada lagi gak Mas alasannya?</p>			
P	<p>Udah itu aja Mbak yang buat saya sering gak masuk di makul-makul itu.</p>			
R	<p>Oke mas paham. Kalo mau absen itu, harus dengan sepengetahuan</p>			

	dosen atau orang tua gak mas?			
P	<u>Gak perlu sih kalo saya, kan orang tua juga gak tau dan dosen tinggal tulis absen aja kalo ada yang gak masuk. (P6.9)</u>	Permission to be absent from the class	I dont need permission from my parents and teacher (P6.9)	P6.9 Without permission
R	Oke kalo gak ada lagi berarti udah selesai ya interviewnya. Makasih udah bantuin jawab.			
P	Oke sama-sama.
