Muhammad Ryzaldi Noor

The first is I would like to say thank you to Allah SWT for anything that He gives to me. The second is I would like to say thank you to my dearest mother, Nurul Kartini Nansi for giving me unconditional love and support for every moment in my life. Thanks for always being strong in front of me even there are difficulties existing in our life.

I promised that we will always together in love, there are no things and problems will separate us because we love each other from our deep heart. We will always become the best of the best family in the world by always emphasizing the values of harmony.
