

CHAPTER V

Conclusion and Suggestion

A. Conclusion

Hizbut Tahrir Indonesia is an Islamic organization whose based is on fundamentalist toward phenomenon in Islamic state and Middle East. This Organization established by many agendas where the main purpose is to give back the life of moslem from high destroy, make freedom of ummah from idea and constitution and law whose recognized kufr, and make Islamic society free from kufr state of domination. Hizbut Tahrir Indonesia such as the party in Indonesia but Hizbut Tahrir Indonesia did not want to join in party such as PKS but Hibut Tahrir almost similar with PKS.

From all explanation above, the information that the author described about this conflict is not just a problem of land grabbing power but also religion matter. Muslims are actually want to attack US and western countries because this conflict also influences the imperialism, and support fully toward Israeli. Israel fully in term district of US, Hizbut Tahrir in the world have been working to how to defeat Israel which always attack Moslem state.

Hizbut Tahrir Indonesia itself feel that the challenge to defeated Israel. Although year by year, they rarely sent to voluntary there because of the less security and Israel has many weapons, Hizbut Tahrir Indonesia makes any effort to defense Moslem state by demonstration in front of the government building.

Hizbut Tahrir Indonesia is Islamic organization whose based on fundamentalist toward phenomenon in Islamic state and Middle East. This Organization eshthabilized by a many agendas where main purpose to back life moslem from high destroy, make freedom of ummah from idea and constitution and law whose recognized kufr, and make free of Islamic society from kufr state of domination. Hizbut Tahrir Indonesia such as the party in Indonesia but Hizbut Tahrir Indonesia didnt desire to join in party such as PKS but Hibus Tahrir almost similar with PKS. Because political party in Indonesia based on democraton. Hizbut Tahrir also still exist in Indonesia if there are some conflict in Middle East for example in Palestine Israel which killed many victims in Palestine. The author also describe about how many victims among both of them. This information also invite many sector to participation to make a peace agreement which untill now Israel still attack Palestine to seizue land and religion conflict

Then Hizbut Tahrir it self always remeber to organization in Palestine which there is conflict as Hamas, and Fatah to back life to solution of Islam, because to defeated Israel. Thats all because innfluence from doll state or western imprealism to capable attack the Palestine untill The land of Moslem can become its mine. From all explanation above information that also the author was described this conflict is not just a problem of land grabbing power but also religion. Actually Muslims are actually want to attack US and western countries because this conflict also influences the imperialism, and support fully toward Israeli. So here Israel fully in term district of US. Hizbut Tahrir in the world have

been working to how to way to defeated of Israel which always attacked Moslem state.

The perspectives Islam to defeated Israel are: The case in Palestine not only Fatah, Hamas or PLO matters. This also not just conflict in Palestine and Israel society. But, this is issue of Moslem, because the land in Palestine is Islamic property, The Palestine main case is presence Israel colonize which seize the land of Moslem. So this struggle have to focus toward how to Israel retreat from Palestine, The Struggle to make retreat Israel from Palestine could not achieved with peace. Because peace have two kind, that are: recognition of existence Israel and second is Israel and Palestine will become two side by side. One of way is Jihad fi Sabilillah. The war conditions have to be maintained not peace. Hizbut Tahrir Indonesia self want to Jihad and unity Moslem to capable defeated Israel as the Jewish state. Also unity moslem over the world and find Khilafah.

B. Suggestion

The Hizbut Tahrir Indonesia is based on the fundamentalist organization, because of that Hizbut Tahrir Indonesia have to survive the fundamentalist and way The Hizbut Tahrir can also connect in the world. However Indonesia is state whose majority are moslems, so Hizbut Tahrir have to promote from khilafah, Al Islam with the teaching and to Palestine the Hizbut Tahrir Indonesia should do more effort to it. Therefore the people of whose it state is effect of war more
