MOTTO

“All Efforts and Success Outside the Comfort Zone”

Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek.

(Barack Obama)

**“Bolehjadi kamumembencisesuatu, padahaliaamatbaikbagimu,
danbolehjadi (pula) kamumenyukaisesuatu, padahaliaamatburukbagimu,**

Allah mengetahui, sedangkamutidakmengetahui”

(QS.Al-Baqarah/2: 216)

“Strength does not come from winning, your struggles develop your strengths. When you go through hardships and decide not to surrender, that is strength”

(Mahatma Gandhi)

“Wherever we are, wherever we live, be yourself and be a good person and keep trying, because they are loved for what it is you”

Allahummayassirwalaatu' assir

DEDICATION PAGE

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Allhamdullilahi Rabbil'alamin Ya Allah, after the hard struggle and hard effort has been occurred in few months ago, and finally the author's able to finish of this Undergraduate Thesis. All of this because of the blessings from God that gave me strength, health, and patience, and also this undergraduate thesis would not finish without the support and spirit from my parents, my family, and all my friends around me as long as I study and until finish this thesis. The author's also would like to give a big appreciation goes to :

1. To my best of the best parents in the world. Thanks a lot to my mother and my father (Isnaini and Tunggono), and also thanks a lot of to my grandmother and grandfather (Wartinah and Mujihartono). From I was a kid I don't just live with my parents, but there are the best figure in my life also they are Grandma and Grandpa. Mother, Father, Uti and Kakong you are the greatest parents I have ever had. In this world, the most fortunate person is me yes me, because I am the first child and the first grandchild who always in spoiled and always given infinite love. Thank you Mother, Father, uti and kakong I love you more than anything you are my supporting system, thanks for the prayers, effort and spirit. So hopefully you are given a long and healthy life always hopefully can see your child is successful and can boast of you. This thesis I dedicate to mother, father, uti and kakong because without supportenergy and spirit of you guys maybe I will not get to this point. Amin

2. To my siblings my love sister and little brothers. Ghebi Anisha Dewi, Eghy Fahrezha and Naufal Rafa Azka thanks a lot to you guys. I love you to the moon and back. Finally, your sister can finish this study, all of this is not far from the prayers and support you have given. Hope all good things we are easy by Allah SWT. Amin
3. To both of my Auntie and your children, thank you very much because you also love me the same as my parents, always support, give advice, give me the material thanks for everything and for your children Atus, Alim, Agif and Tania hope we can be successful and can be a proud child. Amin
4. For my best friend until now who always support me in anything I do, she is Rani Dyah Puspitasari K.kom. You're the best people I have ever had! Thank your for everything thank you because you always understood me, had prayed to me, and you always tell me which is the right and which is the wrong. Lots of love from me
5. For my beloved friend Silviyani, thank you for everything you're my bestfriend since 2014 until now. Thank you for your support, prayers and everything to stand for this. Keep strong, keep healthy, and always smile when the situation and the condition of any of it. The spirit of the pursuit of your dreams
6. For Mami Sinta Nurfitriyani, You are my supporting system in Yogyakarta because I dont know how I am without you. Thank you for always providing the best advice to me, not only advice but prayer and support in anything I do, I'm so

lucky to have you. Thanks for such a wonderful almost 4 years togetherness, I love you to the moon and back

7. For my Unnie Ramitha Paraswati S.IP, Thank you so much for everything mbak, without your support and spirit I can not finish this thesis, because you have provided support from the beginning to make this thesis until finish this thesis.
8. For Geng Manut, namely Fikri Zulfikar, Lidya Anggraini and Sinta Nurfiriyani thank you so much for the supporting and because of you guys I have new family in Yogyakarta
9. For the best couples who always gives the spirit and support to me, namely Desinda S.E and Muhammad Lukman thank you so much for everything. I am very lucky to meet you in this special city. may we always pray for each other
10. To my sweet senior, she is Aditsa Mutmainah thanks a lot to mbak ditsa because you always support me, you always tell me about “Amanah” and anything. I love you more mbak thank you for everything
11. For Tahu Raket, namely Dwi andani, Eka Afriani, Nuri Triwiyono, Zavied Namah and Wawan Eka. Thanks a lot because you are always patient with me always give support. both prayer and action, I hope our friendship can continue until we are old
12. Thanks to the IGOV 2014. Dayat, Tiwi Kalimantan, Elfira, Wawan, Nuri, Zavied, Ghandur, Ganing, Diaz, Eva, Nuri, Anggit, Arum, Nadya, Lubna, Retno, Bayu, Helmi, Wida, Ucup, Amen, Taro, Chibe, Bagus, Hanan, Indra, Wildhan, and others. Thankyou has become my classmates during this lecture, thank you have

shared many things over the years. I'll never forget you guys, success for all of Us!! Thanks for such a best memories almost 4 years our togetherness

13. Thanks to the IP 14 and Komap 14, namely Nurita Tanjung, Ayun, Merry, Wihda, Diaz, Nabella, Harto, Halip, Anang, Adhan, Vivi, Herlina, Qiya, Eka, Alrdy, Apri, Dina, Budi, Citra, Dewi, Irdi and etc. Thank you so much. I hope we can success together
