PREFACE

All praise belongs to Allah SWT for all his guidance and mercy so that the writer has been able to finish this Undergraduate thesis titled “Analysis of Conflict between Corruption Eradication Commission and Police of the Republic of Indonesia (Case of Driving License Simulator in Memorandum of Understanding and Law in 2015)”. Prays and Greetings go to our Prophet Muhammad SAW, the lighter, the greatest person as the messenger of all knowledge to Muslim and His believers. This research aimed to analyze and to identify the causative factors of the conflict between Corruption Eradication Commission and Police of the Republic of Indonesia, especially in the case of mega-corruption driving license simulator in 2015. the writer realized that this research still has many weakness and imperfections. The critiques and recommendations for greatness in the future are hoped. Moreover, I hope it can contribute as the references for literature studies about conflicts between state institutions and as consideration for the government. Particularly, I would like to thank to my supervisor Mr. Tunjung Sulaksono, S.IP., M.Si. which gave the best advice, valuable input and support as the supervisor throughout the entire period of this thesis. Finally, I would thank to my family for all spirit and support during my time in studying in International Program of Governmental Affairs and Administration, UMY.

In the completion of this thesis cannot be separated from the help of various parties, either in the form of guidance, direction, advice and moral support. For that, on this occasion the author would like to say a deep gratitude to:
