All praises be to Allah, King of the king, the Lord of the world, and the master of the day after, who has given us blessing and guidance, so we all still have a chance to live and be better person. In this very great opportunity, I would like to express her highest gratitude to Allah subhanahuwata" ala for the, love, blessing opportunity, health, and mercy so I can complete this undergraduate thesis. An undergraduate thesis entitled "The Problems Faced and the Strategies Employed by English Language Education Departments Students of Universitas Muhammadiyah Yogyakarta in TOEFL Test" is submitted as the final requirement in accomplishing undergraduate degree at Pendidikan Bahasa Inggris, Fakultas Pendidikan Bahasa, Universitas Muhammadiyah Yogyakarta.

In a process of finishing this undergraduate thesis, I cannot neglect that a lot of people have taken an important role to help me finishing this. I admitted that all of this cannot be accomplished without the help, advice and motivation of all people who always cheer me up when I am about to give up on this final project. So, in this valuable chance, the researcher would express her gratitude and appreciation to all of them. Millions thank will goes to all my besties who always give supports and advices when I am almost dying finishing this *skripsi*. I might not mention all your names here, but believe me; I will never forget all the things that you have done to me so I can finish writing this *skripsi*.

There are so many people to thank for helping me out during the last year and have made my stay in Yogyakarta a lot easier. Firstly, I would like to express my deepest gratitude to my eternal superpowers, my parents – Sunaryo and Dwi

Hartini– for always blessing and loving me since before I was born until now. I also thank to my lifetime buddies; my siblings for always having my back. The last is for my babybump in my belly, that always accompany me and become my bigger motivation to finish my thesis, love you very much my babybump.

The researcher presents her sincere appreciation to my beloved supervisor, Ms. Indah Puspawati, S. Pd., M, A. This undergraduate thesis might not be finished without your advice, suggestion, patience, and support. I cannot thank you enough, Ma" am. You are more than just a supervisor to me. I love you to the moon, and back. My grateful also belongs to the examiners, Mr. Puthut Ardianto, S.Pd., M, Pd as my first examiner, and Ms. Maryam Sorohiti, M.H.Sc as my second examiner. The researcher would like to say thank you, for their valuable feedback and valuable suggestion, it was really helpful. Last but far from least, the researcher very sincerely thanks to all the participants of this research who helped the researcher complete this undergraduate thesis. Without their contribution and cooperation, this paper could have never been written.

Finally, I would like to say thank you to me, myself, for finishing this *skripsi*. It such proofs that everything is possible as long as you have willingness to reach what you are dreaming of. I am really proud of myself. I realized that this *skripsi* is really far from the word "perfect", but the researcher expected that this *skripsi* will be useful not only for the researcher, but also for the readers. For this reason, constructive thoughtful suggestion and critics are welcomed.
