Point	Theme/ Finding	Translated Statement
Making Group	P1.1 Making group P5.1 Making group	(P1.1) First, we make the group. (P5.1) Before it, the lecture ask us to make the group that there are three members as chief and two employee.
Deciding theme	P1.2 Deciding theme	(P1.2) we decided the theme.
Making script	P1.3 Making script P2.1 Making script P3.2 Making script P4.2 Making script P5.2 Making script	(P1.3) We make the script together. (P2.1) First, we are asked to make script (P3.2) we have to prepare about the script based on scenario that was given by lecturer. (P4.2) Firstly, I make the text, (P5.2) Then, we are

		asked to make the script (P3.1) Before we did Role play, we was given scenario, such as cases. (P4.3) then make a scenario with my friends,
Showing the Role play	P1.4 Role play activities P3.5 Acting based on scenario P4.5 Showing Role play in front of class	(P1.4) We take the Role play (P3.5) we have to act based on scenario (P4.5) showing Role play in front of class
Memorizing the script	P3.3 Memorizing the script P4.1 Memorizing the script	(P3.3) we should memorize (the script) (P4.1) When doing Role play, I have dialog with my friends in front of class by memorizing the script
Understanding the script	P2.2 Explaining the plot of Role play P3.4 Understanding the script	(P2.2) we should explain from introduction, conflict, and resolution of the Role play (P3.4) (we should)

		understand about the Role play
Doing consultation with lecturer	P4.5 Doing consultation with lecturer	(P4.5) Before I do Role play, I do consultation with my lecturer, wether the scenario is great or not.

Feeling		
Point	Theme/ Finding	Translated Statement
Happy & Enjoy	P1.1 Never mind P2.1 Feeling happy P3.2 Feeling Fun P4.2 Feeling Enjoy	(P1.1) I feel that it never mind for me because I had Role play before (P2.1) Firstly, I am happy, I am exciting, because I am curious about what Role play is (P3.2) because I did Role play for many times, so it was fun. (P4.2) Yeah, I enjoyed, I

		feel confidence
Nerveous	<p>P3.1 Feeling Nerveous</p> <p>P4.1 Feeling Nerveous</p> <p>P5.1 Feeling Nerveous</p>	<p>(P3.1) For the first, I am nervous. Beside we did Role play in front of people, so we are nervous and then blank.</p> <p>(P4.1) Firstly, I am nervous, but when the show is going on in front of class, it will be ok.</p> <p>(P5.1) When we are given Role play activity, firstly we are nervous, but it did not happen again, and the show must go on.</p>

Impact on Speaking Confidence		
Point	Theme/ Finding	Translated Statement
Give influence toward Speaking Confidence	<p>P1.1 give influence</p> <p>P2.1 give influence</p> <p>P3.1 Give influence</p> <p>P4.1 More confidence</p> <p>P4.2 Give influence</p>	<p>(P1.1) It give influence for speaking confidence.</p> <p>(P1.2) When taking Role play, it was recordered in crowded place. So,</p>

	<p>P5.1 Give influence</p>	<p>automatically it was seen by other people. It can increase speaking confidence.</p> <p>(P2.1) it give influence because we is seldom to use English in daily activities, so when Role play, we can focus to speak English</p> <p>(P3.1) When we did Role play, automatically our confidence is increasing.</p> <p>(P3.2) It means when people speak spontaneously, they will be afraid. In other, when we have prepared to speak before, we feel that it will work better.</p> <p>(P4.1) I, my self, I feel more confidence. So, we didn't be afraid because people must understand</p>
--	----------------------------	--

		<p>about what we speak is, although we aren't fluency in English.</p> <p>(P4.2) (Role play) give influence toward my confidence, because we are more confidence to speak to other people.</p> <p>(P5.1) then, after we are given Role play activities, we are more confidence to speak English.</p>
--	--	---

Difficulties		
Point	Theme/ Finding	Translated Statement
Making cooperation of the group	P1.1 Gathering group P4.2 Building the teamwork	<p>(P1.1) the first (difficulty) is asking the group to make gathering.</p> <p>(P4.2) (The other difficulty) is making cooperation with my friends. Building teamwork is little</p>

		difficult because there are pro and contra.
Making script	<p>P1.2 Making the story</p> <p>P1.3 Revising the script</p> <p>P2.1 Making script</p> <p>P3.4 Choosing language function of the script</p> <p>P4.1 Making theme and concept</p>	<p>(P1.2) second, to make the story, it is enough difficult, because we can choose anything theme.</p> <p>(P1.3) Then, when we revise the script, it make us confuse.</p> <p>(P2.1) I difficult about grammar, because we should make in long script</p> <p>(P3.4) The other difficulty is choosing language function.</p> <p>(P4.1) Firstly, it is about the theme and concept of Role play.</p>
Less confidence	<p>P1.4 Feeling shy</p> <p>P3.1 Increasing the confidence</p>	<p>(P1.4) we recordered in front of many people, it make us shy</p>

		(P3.1) The first difficulty is to increase the confidence.
Remembering script	P2.2 Remembering the script P3.3 Remembering the script P5.1 Remembering script	(P2.2) I difficult to remember the script. (P3.3) Then, we feel afraid if we forget (the script). (P5.1) The difficulty is when we forgot about the script.
Pronouncing word	P3.2 Pronouncing a word P5.2 Pronouncing a word	(P3.2) When people is seldom to speak, it will make the people feel shy such as to pronounce a word. (P5.2) Then, we did not know how to pronounce a word.
