ACKNOWLEDGEMENT

The highest gratitude is dedicated to Allah subhanahu wa ta'ala for His kindness and blessings that make it possible for the writer to accomplish this undergraduate thesis entitled "The Background of South Korea Reorientation to Sunshine Policy under Moon Jae In Administration" in a well-allocated time. The praises also dedicated to Prophet Muhammad (Peace be upon Him) that has guided us from the world of darkness to the lightness.

The writer would like to deliver sincerest gratitude for the thesis supervisor that has given many enlightened advices and guidance during the process of writing this thesis. The writer will also take this opportunity to express a deep sense of gratitude towards the board of examiners for their thoughtful and constructive suggestions that are addressed for the better development of this undergraduate thesis.

This undergraduate thesis itself is the product from the cumulative knowledge that had been obtained during the study of undergraduate degree in department of International Relations, Universitas Muhammadiyah Yogyakarta. The writer realized that this undergraduate thesis is far from perfect and there is still room for improvements, as it is also the essence of learning, thus, constructive suggestions are welcomed for the better development of writer's writings in the future.

The writer wished that this undergraduate thesis will be useful for the development of International Relations study and can be used as a literature reference towards the further study in the issue of South Korean Foreign Policy especially Sunshine Policy.

EXTENDED GRATITUDE

Alhamdulillah rabbi'l'amin, the highest compliment is dedicated to Allah ﷻ because only by His blessings this undergraduate thesis can be accomplished as one of the requirements to obtain the Bachelor degree of International Relations in Universitas Muhammadiyah Yogyakarta. The praise is also addressed to Prophet Muhammad ﷺ for his guidance that has led the mankind towards the world of betterment.

In this opportunity, I would like to address my sincere gratitude towards closest circles consisted of family and colleagues who have played important role in accompanying me through hard and ease prior to and during the making process of this undergraduate thesis, in which without their support, the path would not be any easier than this.

- The ultimate gratitude is dedicated towards the beloved parents, my mom, Ibuk Sri Maryati, and my dad, Bapak Muthoif. I am beyond grateful to be your daughter, the countless prayers and supports are the one that kept me going. And also for my number one support system, my two elder sisters Salsati Rosikh Oktifa and Himma Roskhiana Nujati who always being the best sisters and best friends support me through thick and thin. Thank you for letting me be part in this family.
- The next gratitude is formally addressed towards my thesis supervisor, Ibu Grace Lestariana W., S.IP, M.Si. as my thesis advisor. The advices and inputs are very important for me in developing the idea of this undergraduate thesis.
- And the gratitude is also addressed towards all Civitas Akademika of Universitas Muhammadiyah Yogyakarta, particularly all of my lecturers and the staffs of the administration in International Relations Department who taught

many useful knowledge during my study in this University whose names could not be mentioned one by one.

- A huge thanks to IPIREL family and friends in my batch 2014 and also the seniors. Thank you for all the lessons and memories in this college life, I feel honored being a small part of this IPIREL.
- For my Universiti Utara Malaysia friends, Singapore Polytechnic friends, and Kanazawa Institute of Technology friends, I would like to say a massive thank you for creating memorable moments and unforgettable experiences. Those are precious and would stay in my life forever.
- A special thanks to Moon Jae-In and Kim Jong-Un for making this Sunshine Policy works. This has made me believe that peace is not impossible to achieve in the world, particularly in Korean Peninsula.
- Last but not least part of this section, I would like to thanks to myself: “잘란다~ 잘했어요~”

This is the end of the extended gratitude that is specially made to address the sincerest gratitude towards many people whose supports cannot be neglected for the success of this undergraduate thesis. Therefore, here it is, I present this undergraduate thesis as a masterpiece of mine, may the benefits of knowledge be spread.
