Acknowledgements

In the name of Allah, the Most Gracious and the Most Merciful

First of all, I am grateful to Allah SWT, the most Almighty and Merciful for giving the author of His grace and guidance so that the writer can complete this undergraduate thesis under the title “*Content and Practical Knowledge of Effective EFL Lecturers as Perceived by Pre-Service Teacher Students*”. Also, peace be upon Muhammad SAW, the last messenger of the only greatest teacher.

I would like to express the deepest appreciation and gratitude due to my research supervisor, Sri Rejeki Murtiningsih, S.Pd., M.A., P.hD., for providing valuable guidance throughout this research. I am especially indebted for her guidance, personal support, great patience, and valuable lesson during the process of writing my undergraduate thesis. I also express my gratitude for Maryam Sorohiti, M.HSc., and Sri Sudarsi M.Int., as my examiners who gave me valuable suggestion during finishing this writing. Then, I would like to appreciate and thank Dr. Suryanto as my academic supervisor who has been given some advice for the success of accomplishing this undergraduate thesis. I am grateful for all of the lecturers of English Language Education Department who have given me valuable knowledge and their dedication towards the successful study in Universitas Muhammadiyah Yogyakarta.

My sincere thank belongs to my beloved parents, brother and sister for their prayer, big support and encouragement. Also thanks to all my classmates especially for class D 2014 for their help during studying in ELED and made my undergraduate study more meaningful. Many thanks also goes to all of my friends

from Drum Corps UMY and Mahardika Bakti Nusantara, my community service team who give their big support and motivation during write this undergraduate thesis. Last but not least, I also thanks to all of my participants for their willingness and time to participate in my research.

Finally, in writing this undergraduate thesis, I realize there are still many shortcomings and mistakes. Therefore, criticism and suggestions from the readers is very helpful for the improvement of this writing.
