Appendix 2. Analytical Coding

Faiz ulil albab maulana

Self correction	interview	point
Are you literally listen a songs?	interviewer : assalammualaikum wr.wb faiz :wa'alaikummusalam interviewer : good afternoon, can you introduce your name? faiz : my name faiz ulil albabmaulana, 2013, my major is English Language Education Department	Is often to listen a songs

	<p>interviewer : ok, for the first I will explain my research is about Students' Perceptions About Learning Listening Skill Through English Songs.</p> <p>The first question is are you literally listen a songs?</p> <p>(p1.1)Faiz : yes, very often</p>	
<p>What kind of songs do you listen?</p>	<p>Interviewer: if yes, what kind of songs do you listen? For example like</p> <p>Classic, jazz, rock, etc?</p> <p>(p1.2)Faiz : I'm prefer into jazz</p>	<p>The kind of songs is prefer to jazz</p>
<p>Why do you choose that songs?</p>	<p>Interviewer: ok, so why do you choose that songs?</p> <p>(p1.3)Faiz : because it make me enjoy and moveable</p>	<p>The kind of songs can make enjoy and movable</p>
<p>so, why do you think that songs could improve your listening skill? Not like drama, or watching movie</p>	<p>Interviewer: so, why you think songs can increase listening skill?</p> <p>(p1.4)Faiz : songs is very helpful to improve listening skill because the character of the song is audiovisual”</p>	<p>Listen a song can improve listening skill because song is audiovisual</p>

<p>how do you usually listen to music?(for example: on gadget, radio, pc, at home with speaker)</p>	<p>Interviewer: where do you listen songs? Gadget? Pc? Radio?</p> <p>(p1.5)Faiz : in gadget, pc , and speaker expect radio</p>	<p>Listen a song through pc and speaker</p>
<p>Do you think that listening to the songs can improve your English skills?</p>	<p>Interviewer: ok, next question. Do you think that listening to the songs can improve your English skill?</p> <p>(p1.6)Faiz : yes, listening a songs can improve my English skill especially if we like that songs we will try to search a new vocabulary in that songs</p>	<p>Listen a song can improve English skill if we likes the song</p>
<p>When you listen to songs in English, about what percent of the words do you understand? (for example: 95%, 75%, 50%, 25%)</p>	<p>Interviewer :ok next, when you listen a songs how many word do you Understand?50%? 75%, 95%?</p> <p>(p1.7)Faiz : 95%</p> <p>Interviewer : ok</p> <p>Faiz : because I'm from English faculty</p>	<p>Understand the meaning from the lyric about 95%</p>

<p>What language skill do you improve?</p>	<p>Interviewer: next, what language skill do you improve?</p> <p>(p1.8)Faiz : language skill maybe speaking and listening because after listening we can easily to speaking what we listen</p>	<p>Listen a song can increase speaking and listening skill</p>
<p>Why does listening improve your skill?</p>	<p>Interviewer: ok so, why listening can improve your skill?</p> <p>(p1.9)Faiz: because listening.....from listening we listen and automatically we listen so many vocabularies and get used to it. And we started understand about that vocabulary</p>	<p>Listening skill can help to understand the vocabulary</p>
<p>Do you think English songs can help you learning listening skill? Why?</p>	<p>Interviewer :so,... do you think with English songs can help you in Learning listening skill? Why?</p> <p>(p1.10)Faiz : yes of course, because English songs...what's it called? Because we like English songs with that English songs became a main factor if don't like English songs it will be hard to learning</p>	<p>Based on likes with English songs</p>
<p>Do you find problem when</p>	<p>Interviewer : do you find a problem when learning listening skill</p>	<p>The problem is pronunciation</p>

<p>learning listening skill through English songs? If so, what problems do you often find when learning listening skill through English songs?</p>	<p>Through English songs? If yes...what a problem?</p> <p>(p1.11)Faiz : for the problem there is pronunciation... pronunciation from the Singer, because every person have their own accent.</p>	
<p>what strategy do you use to solve these problems?</p>	<p>Interviewer: so, what your strategy to solve these problems?</p> <p>(p1.12)Faiz : the first, we search the lyric in internet after that we solve pronunciation's problem with that lyric from the songs</p>	<p>Search lyric on dictionary or internet</p>

Ricco Fajar Agustian

Self correction	interview	point
<p>Are you literally listening songs?</p>	<p>interviewer : assalamualaikum wr.wb</p> <p>ricco :wa'alaikummusalam</p> <p>interviewer : good afternoon</p> <p>ricco : good afternoon</p> <p>Interviewer: can you introduce your name?</p>	<p>Is often to listen a songs</p>

	<p>Ricco : my name is Ricco Fajar Agustian, 2013, my major is English Language Education Department in UMY</p> <p>interviewer: ok, this interview is about Students' Perceptions About Learning Listening Skill Through English Songs.</p> <p>Ricco : ok</p> <p>Interviewer: The first question is you literally listen songs?</p> <p>(p2.1)ricco : yes, maybe every morning I play English songs</p>	
<p>What kind of songs do you listen?</p>	<p>Interviewer: if yes, what kind of songs do you listen? For example like</p> <p>Classic, jazz, rock, etc.?</p> <p>(p2.2)Ricco : almost every kind of songs but maybe I'm prefer into classic</p>	<p>The kind of songs is prefer to classic</p>
<p>Why do you choose that songs?</p>	<p>Interviewer: ok, so why do you choose that songs?</p> <p>(p2.3)Ricco : is easy listening, and for the lyric is good maybe the songs is great</p>	<p>The kind of song is easy listening</p>

<p>why do you think that songs could improve your listening skill? Not like drama, or watching movie</p>	<p>Interviewer: so, why you think songs can increase listening skill?not like when you watching movie or somethingelse?</p> <p>(p2.4)Ricco : movies can also help but I think songs more easily because if we likes the songs so we will search the lyric of the songs and remember some word in that songs.</p>	<p>Listen a song more easier than another ways to learn listening skill</p>
<p>how do you usually listen to music?(for example: on gadget, radio, pc, at home with speaker)</p>	<p>Interviewer: where do you listen songs? Gadget? Pc? Radio?</p> <p>(p2.5)Ricco : in laptop</p>	<p>Listen a song through laptop</p>
<p>Do you think that listening to the songs can improve your English skills?</p>	<p>Interviewer : ok, next question. Do you think that listening to the songs can improve your English skill?</p> <p>(p2.6)Ricco : Yes, listen a song can improve my English skill. Actually if we like the song, we will try to search a new language or new vocabulary in that song</p>	<p>Listen a song can improve English skill if we like the song</p>
<p>When you listen to songs in English, about what percent of the words do you understand? (For</p>	<p>Interviewer :ok next, when you listen a songs how many word do you</p>	<p>Understand the meaning from the lyric about 70%-75%</p>

<p>example: 95%, 75%, 50%, 25%)</p>	<p>Understand? 50%? 75%, 95%? (p2.7)Ricco : maybe 70%-75%</p> <p>Interviewer : ok</p>	
<p>What language skill do you improve?</p>	<p>Interviewer: next, what language skill do you improve?</p> <p>(p2.8)Ricco : for the first is pronunciation after listen native, likes the songs sing by native speaker we can learn a good pronunciation</p> <p>Interviewer: besides listening, what else?</p> <p>(p2.9)Ricco : maybe speaking and vocabulary. From the beginning we don't know what the meaning so we search in internet</p>	<p>Listen a song can improve pronunciation and vocabulary</p>
<p>Why does listening improve your skill?</p>	<p>Interviewer: ok so, why listening can improve your skill?</p> <p>(p2.10)Ricco : Actually we looking of entertainment, maybe from that entertainment we also can study</p>	<p>Listening for refreshing also can be used to study</p>
<p>Do you think English songs can help you learning listening skill? Why?</p>	<p>Interviewer: that all about songs and now do you think with English songs can help you in learning listening skill? Why?</p> <p>(p2.11)Ricco : Yes, maybe from the pronunciation of the singer, and we can learn a new vocabulary. Because the context from the songs is English songs, so is very helpfully because we spend a times listen English songs</p>	<p>Pronunciation from the singer and spend of time to listen English songs</p>

<p>Do you find problem when learning listening skill through English songs? If so, what problems do you often find when learning listening skill through English songs?</p>	<p>Interviewer : do you find a problem when learning listening skill through English songs? If yes...what a problem?</p> <p>(p2.12)Ricco : Yes, the problem is sometimes the lyric must be cut into the songs. Some lyric likes so fast or can't be heard clearly. The pronunciation maybe to difficult to understand</p>	<p>The problem is some of lyric must be cut or fast to make into the songs also the pronunciation it can more hard</p>
<p>what strategy do you use to solve these problems?</p>	<p>Interviewer: so, what your strategy to solve this problem?</p> <p>(p2.13)Ricco : for the strategy, I'm open the internet for search the lyric from the English songs</p>	<p>Search lyric on dictionary or internet</p>

Anggita Ikhlas Sanubari

Self correction	interview	point
<p>Are you literally listening a song?</p>	<p>interviewer : assalammualaikum wr.wb</p> <p>Anggit :wa'alaikummusalam</p> <p>Interviewer: can you introduce your name?</p> <p>Anggit : my name is Ricco Fajar Agustian, 2013, my major is English Language Education Department</p> <p>Interviewer: ok, this interview is about Students' Perceptions About Learning Listening Skill Through English Songs. Ok, for the first question is are you literally listening a song?</p> <p>(p3.1)Anggit : yes, often</p>	<p>Is often to listen a songs</p>
<p>What kind of songs do you listen?</p>	<p>Interviewer: if yes, what kind of songs do you listen? For example like</p>	<p>The kind of song prefer to rock</p>

	<p>classic, jazz, rock, etc.?</p> <p>(p3.2)Anggit : kind of songs??.. almost every kind, but rock more often</p>	
<p>why do you choose that songs?</p>	<p>Interviewer: so why do you choose that songs?</p> <p>(p3.3)Anggit : I like that kind since long time ago, and remember some of lyrics.</p>	<p>Listen the kind of song several times</p>
<p>so, why do you think that songs could improve your listening skill? Not like drama, or watching movie</p>	<p>Interviewer : so, why do you think songs can increase listening skill? Not like when you watching movie or something else?</p> <p>(p3.4)Anggit : Because, I'm listening the song very often and get used to it</p>	<p>Listening a song and get used to it</p>
<p>how do you usually listen to music?(for example: on gadget, radio, pc, at home with speaker)</p>	<p>Interviewer: where do you listen songs? Gadget? Pc? Radio?</p> <p>(p3.5)anggit : on laptop or gadget</p>	<p>Listen a song through laptop and gadget</p>
<p>Do you think that listening to the songs can improve your English skills?</p>	<p>Interviewer: ok, next question. Do you think that listening to the songs can improve your English skill?</p>	<p>Listen a song can give effect to improve English skill</p>

	(p3.6)Anggit : Yes, listen a song can improve my English skill. Because I can feel the effect from listening songs	
When you listen to songs in English, about what percent of the words do you understand? (for example: 95%, 75%, 50%, 25%)	<p>Interviewer :ok next, when you listen a songs how many word do you</p> <p>Understand?50%? 75%, 95%?</p> <p>(p3.7)Anggit : It depends. if we give an intention to learn that song, or like the song maybe 95%</p>	Depends on intention into the songs
What language skill do you improve?	<p>Interviewer: next, what language skill do you improve?</p> <p>(p3.8)Anggit : language skill.....Maybe, improve my vocabulary and a little pronunciation</p>	Listen a song can improve the vocabulary and pronunciation
Why does listening improve your skill?	<p>Interviewer: so, why with listening can improve your skill?</p> <p>(p3.9)Anggit : For listening, for example is an English song. Maybe increase vocabulary</p>	Listening skill can improve the skill through vocabulary
Do you think English songs can help you learning listening skill? Why?	<p>Interviewer: do you think with English songs can help you in learning listening skill? Why?</p> <p>(p3.10)Anggit : because is hobby and enjoy with it, for example if that people like English songs, without realizing he/she will learn lots of English language in that songs although for the beginning, he/she not give intention. In the last, he/she will increase their knowledge about English language</p>	Hobby and enjoy listen English songs can give a intention to learn listening skill

<p>Do you find problem when learning listening skill through English songs? If so, what problems do you often find when learning listening skill through English songs?</p>	<p>Interviewer : do you find a problem when learning listening skill through english songs? If yes...what a problem?</p> <p>(p3.11)Anggit : Maybe is vocabulary, sometimes that the first time we heard and make me strange with the vocabulary, and also with kind of the songs. Some people have their own kind of songs, for example for metal's music, some of those have a really hard to understand</p>	<p>The problem is vocabulary, and kind of the songs.</p>
<p>what strategy do you use to solve these problems?</p>	<p>Interviewer: so, what your strategy to solve this problem?</p> <p>(p3.12)Anggit : The strategy is if get difficult in vocabulary we must open the dictionary for example Google translate to understand what singer sing. And for the hard songs, find another song that suit to us</p>	<p>For lyric can Search lyric on dictionary or internet. For kind of song can find the easier songs</p>

Appendix 3. Axial and Selective Coding

The effect of learning listening skill through English songs

Point	Translated Statement	Theme
Listen a song often can improve listening skill	<p>(p1.4)Faiz : songs is very helpful to improve listening skill because the character of the song is audiovisual”</p> <p>(p2.4)Ricco : movies can also help but I think songs more easily because if we likes the songs so we will search the lyric of the songs and remember some word in that songs.</p> <p>(p3.4)Anggit : Because, I’m listening the song very often and get used to it</p>	(anggit.4)listen a song very often and get used to it
listening to the songs can find a new vocabulary	<p>(p1.6)Faiz : yes, listening a songs can improve my English skill especially if we like that songs we will try to search a new vocabulary in that songs</p> <p>(p2.6)Ricco : Yes, listen a song can improve my English skill. Actually if we like the song, we will try to search a new language or new vocabulary in that song</p> <p>(p3.6)Anggit : Yes, listen a song can improve my English skill. Because I can feel the effect from listening songs</p>	<p>(faiz.6)find a new vocabulary</p> <p>(ricco.6) find a new language or new vocabulary</p>
Some kind language skill that improved such as vocabulary and pronunciation	(p1.8)Faiz : language skill maybe speaking and listening because after	<p>(ricco.8) improve the pronunciation</p> <p>(anggit.8)improve vocabulary and pronunciation</p>

	<p>listening we can easily to speaking what we listen</p> <p>(p2.8)Ricco : for the first is pronunciation after listen native, likes the songs sing by native speaker we can learn a good pronunciation</p> <p>(p2.9)Ricco : maybe speaking and vocabulary. From the beginning we don't know what the meaning so we search in internet</p> <p>(p3.8)Anggit : language skill.....Maybe, improve my vocabulary and a little pronunciation</p>	
Listening a song for entertainment also help in study	<p>(p1.9)Faiz: because listening.....from listening we listen and automatically we listen so many vocabularies and get used to it. And we started understand about that vocabulary</p> <p>(p2.10)Ricco : Actually we looking of entertainment, maybe from that entertainment we also can study</p> <p>(p3.9)Anggit : For listening, for example is an English song. Maybe increase vocabulary</p>	(ricco.10)from that entertainment we also can study

The problem in learning listening skill through English songs		
Point	Translated Statement	Theme
Pronunciation and vocabulary	(p1.11)Faiz : for the problem there is pronunciation... pronunciation from the Singer, because every person have their own accent.	(faiz.11) the pronunciation from the singer

The lyric must be cut into the songs and so fast	(p2.12)Ricco : Yes, the problem is sometimes the lyric must be cut into the songs. Some lyric likes so fast or can't be heard clearly. The pronunciation maybe to difficult to understand	(ricco.12) some lyric must be cut into the songs
Kind of songs	(p3.11)Anggit : Maybe is vocabulary, sometimes that the first time we heard and make me strange with the vocabulary, and also with kind of the songs. Some people have their own kind of songs, for example for metal's music, some of those have a really hard to understand	(anggit.11) kind of the songs.

The startegies in learning listening skill through English songs		
Point	Translated Statement	Theme
Search the lyric in internet	(p1.12)Faiz : the first, we search the lyric in internet after that we solve pronunciation's problem with that lyric from the songs	(faiz.12) we search the lyric in internet

	<p>(p2.13)Ricco : for the strategy, I'm open the internet for search the lyric from the English songs</p>	<p>(ricco.13) open the internet for search the lyric</p>
<p>Find another song that suit to us</p>	<p>(p3.12)Anggit : The strategy is if get difficult in vocabulary we must open the dictionary for example Google translate to understand what singer sing. And for the hard songs, find another song that suit to us</p>	<p>(anggit.12) find another song that suit to us</p>
<p>Like and hobby to listen English songs can help in learning listening skill</p>	<p>(p1.10)Faiz : yes of course, because English songs...what's it called? Because</p> <p>we like English songs with that English songs became a main factor if</p> <p>don't like English songs it will be hard to learning.</p> <p>(p2.11)Ricco : Yes, maybe from the pronunciation of the singer, and we can learn a new vocabulary. Because the context from the songs is English songs, so is very helpfully because we spend a times listen English songs</p> <p>(p3.10)Anggit : because is hobby and enjoy with it, for example if that people like English songs, without realizing he/she will learn lots of English language in that songs although for the beginning, he/she not give intention. In the last, he/she will increase their knowledge about English language</p>	<p>(Faiz.10)we like English songs that make the English songs became a main factor in learning listening skill</p> <p>(ricco.11) we spend a times listen English songs</p> <p>(anggit.10) because is hobby and enjoy with it</p>
