

## **ABSTRAK**

Penelitian ini mencoba menggambarkan keadaan Indonesia dengan international monetary fund dimana menjalin kerjasama yang semula Indonesia meminta bantuan dengan IMF tetapi dengan adanya IMF malah semakin tidak membantu krisis yang dialami Indonesia. Tetapi saat ini Indonesia sudah tidak dianggap lagi sebelah mata mulai banyak pembangunan serta perekonomian yang berkembang. Indonesia mulai berdiplomasi melalui Menteri Keuangan RI yaitu Sri Mulyani, pada pertemuan Spring Meetings dilaksanakan setiap tahunnya itu pada bulan April di Washington DC dan tahun berikutnya di negara anggota. Pertemuan ini dihadiri oleh menteri-menteri keuangan dari 189 negara, dalam Spring meetings kali ini Sri Mulyani mulai melakukan pendekatan pada masing-masing menteri keuangan, sharing, bertukar pikiran juga berdiskusi masalah ekonomi. Sri Mulyani yang pernah menjabat di World Bank menjadi nilai lebih di mata dunia, tidak diragukan lagi atas kemampuan akademiknya, untuk masalah ekonomi beliau sangat berpengalaman, dan tidak asing lagi jika beliau mendapat berbagai penghargaan yang diraihnya. Gaya lobbayan Sri Mulyani sangat berpengaruh pada Indonesia karena secara tidak langsung ekonomi Indonesia bisa berkembang, Sri Mulyani dalam Development Committee Chair Spring meeting banyak membicarakan masalah internasional dan beliau juga memberi saran serta masukan. Dalam pertemuan ini, beliau juga menyampaikan keadaan perekonomian Indonesia, tidak hanya perekonomian Indonesia tapi juga perekonomian global. Lalu pertumbuhan ekonomi Indonesia, serta stabilitas ekonomi Indonesia.

Kata Kunci : Diplomasi Indonesia, IMF, Development committee chair

## ABSTRACT

This research tries to describe the situation of Indonesia with international monetary fund where to establish cooperation which originally Indonesia ask for help with IMF but with existence of IMF even more not help crisis experienced by Indonesia. But now Indonesia is no longer considered one eye began a lot of development as well as a growing economy. Indonesia began to diplomate through the Minister of Finance of the Republic of Indonesia, Sri Mulyani, at the Spring Meetings meeting held annually in April in Washington DC and the following year in member countries. The meeting was attended by ministers of finance from 189 countries, in this Spring meetings Sri Mulyani began to approach each finance minister, share, exchange ideas also discuss economic issues. Sri Mulyani, who has served in the World Bank, has become more of a value in the eyes of the world, no doubt for his academic ability, for his economic problems he is very experienced, and no wonder if he got various awards he achieved. Sri Mulyani's lobby style is very influential on Indonesia because indirectly Indonesia's economy can develop, Sri Mulyani in Development Committee Chair meeting many talk about international problem and he also give suggestion and input. In this meeting, he also conveyed the state of the Indonesian economy, not only the Indonesian economy but also the global economy. Then Indonesia's economic growth, as well as Indonesia's economic stability.
