ACKNOWLEDGEMENT

The highest praise and gratitude dedicated to Allah *subhanahu wa ta'ala* who always give His endless kindness and bless that make the writer possible to complete this undergraduate thesis entitled: “The Effectiveness of India’s Reverse Brain Drain Policy”. This undergraduate thesis is submitted in order to fulfill the requirement for achieving S-1 Degree of International Relations Department, Faculty of Social and Political Science, Universitas Muhammadiyah Yogyakarta as well as the application of the theories and knowledge that the author had already obtained during the undergraduate study.

The author also would like to express her sincere gratitude to all those who have contributed in the process of writing this undergraduate thesis especially for the advisor of this undergraduate thesis, Mr. Bambang Wahyu Nugroho, M.A., also to all the board of examiners, Mr. Sidiq Ahmadi, S.IP., M.A and Mr. Djumadi, Drs., M.A. The author realizes that there are still rooms for improvement for this undergraduate thesis. The author hopes that this undergraduate thesis could be useful for international relations study.
