## **EXTENDED GRATITUDE**

Within in page, I would like to extend my gratitude for all forms of supports given to me during my college years. I dedicated this thesis and would like to personally thank:

1. My beloved family whose support are very important and substantial from the beginning until the end of the process of pursuing my undergraduate degree. They have given me all of their never-ending supports spiritually, morally, and materially. I want to thank both my parents, Papa and Mama, for their unconditional love within every support and love they gave me. They are my true inspirations and role models in life. They taught me everything, gave me strength, shared me life virtues, they gave me everything this world could never. I am grateful to be their daughter and I love them very much that I could not describe in words. Equally, to my three greatest brothers in the whole universe; Abang, Bebeh, Neo. I know I have not always be the best sister you ever hoped for, but I love the three of you and I know you love me too.
2. Ikko, my bestfriend from my first semester in UMY until now. Thank you for always be there for me and give me such supports and motivations in life. I am so grateful to have you in my life.
3. Macan Sosialita; Mirand, Miya, Akis, Beya, Vera, Cegil, Moana. I can't describe how grateful I am to have you all in my life.
4. VET Jogjateng; Hafidz, Abrari, Amel, Miftah, Miya, Galih, Miranda, Arif, Hakim, Midan, Sahnaz, Ovi, Debud, Reri, etc., who have been supporting me since senior high school. I don't know what to say other than grateful to have you in my life since junior year of college until today. Even though we are not oftenly

seeing each other, I am glad to have you all as my family in Jogja. See you guys in Banjar (hopefully)!

5. Lana. You, fuck boy, has been my best best best friend since the beginning of our college year until today. You are annoying af, but I don't know how my life would be without you. You have given me such love life advices even though your love life was not as good as mine. You have given me supports like no other. You are my motekar partner. I, for one, am grateful to have you as my partner in crimes. I really wish you all the best of the best– including your love story with Karin, and of course, your skripshit. I'll see you in Banjar, lil bro!
6. KOMAHI UMY, Follower, whom I can't mention one by one because there are so many of you wkwkwk. Thank you for accepting me as your family in IR for the last three years. Someone told me that you've been 90% of my college life and I guess that was true! LOL both in positive and negative ways hahahaha SEE YOU ON TOP KORPS!
7. MiB; Asep, Wimo, Riska, Laura, Ambon, Tiwi, Rizkan, Uut, Uus, Hada, Punto. Thank you for accepting me and giving me such memorable moments as your “mamsky” for the last one year. I hope that we will be as everlasting as our memories we've shared. Goodluck for your journeys ahead! I know you guys love me and I love you too!
8. Ibliz 15; Ceking, Okky, Dugong, Aldo, Uni. I can't find the words to describe how lucky I am to have you by my side for the last three years. It has been a love-hate relationships. You have been giving me tremendous supports and happiness even when I am at my lowest and worst. I have to admit that I am very sad realizing that we won't be seeing each other's faces in the future like we used to. I hope this is not a

goodbye for our brother-sister-hood. I love you all and see you on top!

9. IPIREL 2015 – Ammar, Cila, Pampam, Zatira, Hanisa, Nurul, Mei, Donna, Sheily, Hetty, Firdha, Nadia, and all of you whom I could not mention one by one. Thank you for the more-than-three years journey we had. The dramas, the helps, and the fun we have shared, will forever be kept in my memory. I am not good at expressing my gratitude into words, but, I am beyond glad to ever be part of you. Once again, thank you so much for the amazing journey!
10. KKN 158; Indra– the leader of the group, Firhan– the one who asked me what to cook daily, Marizal, Revo– the one who complained at everything, I mean, everything, Em– the most patient and yet annoying, Apip– our dukun in KKN 158, I will not forget your dukun practices especially after I got stung by a bee:), Buruh Masak– Gita and Dilma, and Dian. I told you guys on our Whatsapp group that even though we only had one month to get to know each other during KKN, but I feel like I already know each and everyone of you for years. The friendship we had, will always be kept in my memories. I am glad to get the experience to lived with you in the same house and circumstances even if you bullied me most of the time, but I really appreciate that you all tried to tolerate my stupidity and ego– and I know it is not a piece of cake. You all are good people. I can't thank you enough for whatever stories we have shared. See you on top guys, and I really wish you all the best in the world!
11. My best tutor– Theo Dhewo Tondo Widigdo. You have been such a tough yet caring person. I don't think words are enough to describe how grateful I am to have you during most of my college years. I can't thank you enough for everything you taught me. You

have brought me sunshines and rains and I am grateful for that. You are a good man that I know you deserve someone better. I really hope you are doing amazing with your life. Thank you, for everything.

12. Repet, I can't find a word to describe you other than a jerk. HAHAHA. No, I am kidding. You are my best friend, at least for me. These past months, you have unintentionally taught me about life. From you I learned that I could not get everything I wanted the way I planned it. Yes, you are a jerk and I hate you for that, but knowing you, has been surprisingly an amazing experience in the last months of my time in Jogja. You are a good person. You are full shits yet you still can bring people joy. Despite all the dramas we had, I just want you to know that, I am beyond grateful to have you as my friend in my life. I know I could not express it better in person, but I hope, if you read this, I want you to know that I meant all of it, and I really value those cringey stuffs we had together.
