Research Title : Collaborative Governance in the Development of Tourism
Potential in Candirejo Village, Klaten Regency 2017-2018

Declaring that this undergraduate thesis is my original work. I never submit this thesis to gain Bachelor Degree in any universities and any publications. I had followed the scientific rules and cited all sources in this thesis. Therefore, this thesis is free from plagiarism. If someday there are certain parties complains and protest to this thesis, I will be responsible and overcome all consequences.

Yogyakarta, 16 December 2018

Author,

Wawan Eka Putra

DEDICATION PAGE

With praise and gratitude for the presence of Allah SWT, support, and prayers from loved ones, finally this thesis can be completed well and on time. Therefore, with pride and happiness I say thank you to:

1. Allah SWT, because only with permission are given then this thesis can be made and completed in time.
2. My father and mother, Badar and Surip Kusrini who have provided moral, material support and continuous prayer for my success. Gratitude will never be enough to repay the kindness of parents, therefore accept devotion and love for my parents.
3. Mr. Isnaini Muallidin, S.IP., MPA as a thesis advisor, who has been sincere to take the time to guide and direct me, provide invaluable guidance, advice and lessons so that I can be better.
4. Nuri & Zavied, two friends who are like family. Thank you for always reminding, helping, and accompanying me while in Yogyakarta. Goodness and memories with you is something that is valuable to me. Without you, my friends, maybe I won't be able to be like this, you are the best friend I have ever had. Hopefully someday our friendship will never break up anytime.
5. My valuable friend also, Dayat, who every day comes to the house boarding to invite food, walk, help with the thesis, confide in and play games. I am very grateful to God for being given a friend like him.
6. Our Story & Tahu Rocket Squad, Eka, Anda, and Diah, Tiwi, Amien, karaoke friends who sing always excited when with them and friends when they want to open a business tahu rockets but have not happened until now.
7. Bolo-Bolo Squad, Ranita, Desi & Ani, the loudest friends and many stories. Every time with them there is always something to tell. From KKN until now they have always been friends playing and gathering with me.
8. Bismillah Squad, Anggit & Mba Gita, thesis friends which from the beginning they always complain about administrative requirements for thesis exam registration.

However, with prayer and effort we are able to prove that we can get through it without any obstacles.

9. Mba Tentyana as my profreader thesis, thank you for giving me direction and assistance regarding the thesis that must be done.

10. IGOV, Mba Nada, Mba Adibah, thank you for providing support, assistance and input to me while taking care of thesis exam requirements.

Thank you very much for all of you, I apologize to people who I did not mention above, I am sure that I am surrounded by highly positive people who carry their own energy to contribute to my undergraduate thesis. A sentence that has always been my guideline is “**setiap proses pasti tidak akan pernah mengkhianati hasil**”. Finally, I present this thesis to all of you. Hopefully this thesis can be useful for scientific progress in the future.

FOREWORD

Praise and gratitude the presence of Allah SWT who created the heaven, earth and its contents. Prayers and greetings to the lord of the great Prophet Muhammad SAW. Alhamdulillahirabbil'alamin the author can complete a scientific paper in the form of this thesis entitled "Collaborative Governance in The Development of Tourism Potentials in Candirejo Village, Klaten Regency". This scientific work is prepared with sincerity to be able to know, assess, and evaluate the extent of the implementation process of Collaborative Governance in the development of tourism potentials in Candirejo Village, Ngawen District, Klaten Regency.

The author realizes that in writing this thesis is still far from perfection and there are still deficiencies, however the author tries with all the ability to be able to reach its maximum result. Hopefully all that is contained in this thesis is useful for the public to be able to use it as a reference or just reading in order to increase knowledge and constructive criticism and suggestions from all parties who have read and studied this thesis, the authors accept with wisdom and thanks sincerely.

On this occasion, please allow the author to thank Mr. Isnaini Muallidin, S.IP., MPA as a thesis advisor who has guided and directed the preparation of this thesis. To all governmental science lecturers, social and political science faculties, Muhammadiyah University of Yogyakarta. All staff members of the administration of social and political science faculty. To all staff and employees of the library of the Muhammadiyah Yogyakarta University which has helped the authors solve administrative problems. To all Candirejo village government officials who have given the opportunity to the author to conduct research and provide all the data needed. Furthermore, thanks to the Java Reconstruction Fund (JRF) who was willing to take the time to have an intentional discussion and interview with the author.

Warm gratitude also the authors say to all parties that the authors cannot mention one by one, for their support and attention so far. Hopefully this good deed will be rewarded by Allah SWT, and hopefully this article will benefit the reader and become a reference for further research.
