## **DEDICATION PAGE**

First of all, I would like to be thankful to Allah SWT, because only with His permission this thesis can be made and completed in time. In accomplishing this paper, moreover, it is impossible for me to do so without the supports of all the people that I love, as follows:

1. My father and mother, Suhendar and Nunung Marpuah who have been strugglingly to support me in any ways to complete my study. Gratitude will never be enough to repay the kindness of parents, they are truly love of my life, forever.

2. My brother and sister—Luthfi Hilman and Dita Apridayanti, no matter how often we fight, they have been a part of the achievement I get in life. They always challenge me to do something better and better all all the time. I might seem too much, but I love them beyond the words.

3. Dr. Dyah Mutiarin my supervisor and forever will be. Without her courages and guidances, this paper will not able to accomplish. I love you, mom Arin.

4. Dr. Eko Priyo Purnomo, my father at IGOV. He might so thoughtful to anyone, also to me. Beyond all of that, however, he really cares to his students and wants them to be succed in the future. Thank you, Sir.

5. Ka Agustiyara cand Prof (aamiin), my brother at UMY. Without his supports and commands, I might not able to finish this paper. Thank you for always be there, to pick up my call even in the midnight, to discuss how this paper should be. Without you, I could have been this far.

6. My best friend, Septian Dermawan Mursyid. Well, this sheet might not enough to tell you how thankful I am to be your friend. You are a friend that I really close at school since freshman, a classmate for three years, and the one who always there no matter what. I hope our friendship will be last forever. Once again, thank you Sep. Do not change anything in you, be crazy as always!

7. My friends at IGOV; Heni, Rira, Risang, Ivan, Nova, and many more. Thank you for being a classmate of mine since the first year. I pray for all the dreams that you have, and I love you all.

8. My second supervisor, mba Tentyana. At first, I never thought we would close as a sister. You are not as scary as I thought (haha). Thank you for all the progress comments that you wrote on my paper, it meant a lot. Thank you.

9. Ayun, Maria, Cica, Wanda, Isna—my family at Pa Tuwaji kost. I am going to miss all the crazy things we made, the battle fight between Ayun and the chickens, the scream of Pak Tuwaji's daughter, and many good memories we have made for almost two years. I love you all!

10. The people that have been a part of this long journey. I could not mention all of you one by one, however, I truly appreciate all the supports and loves that you gave. Thank you.

11. Last but not least, my charming tree. The sky will not be able to keep the earth sustain without you. I love you.

## FOREWORD

Praise and gratitude the presence of Allah SWT who created the heaven, earth and its contents. Prayers and greetings to the lord of the great Prophet Muhammad SAW. Alhamdulillahirabbil'alamin the author can complete a scientific paper in the form of this thesis entitled " Analysis of Government Regulation's Response on Sharing Economy's Principles: The Case of Department of Transportation of Yogyakarta Province". This scientific work is prepared with sincerity to be able to analyse the government regulation's response on the principle of sharing economy. Besides, figure out what are the principles that have been implemented by the governeemnt.

The author realizes that in writing this thesis is still far from perfection and there are still deficiencies, however the author tries with all the ability to be able to reach its maximum result. Hopefully all that is contained in this thesis is useful for the public to be able to use it as a reference or just reading in order to increase knowledge and constructive criticism and suggestions from all parties who have read and studied this thesis, the authors accept with wisdom and thanks sincerely.

On this occasion, please allow the author to thank Dr. Dyah Mutiarin, M.Si as a thesis advisor who has guided and directed the preparation of this thesis. To all governmental science lecturers, social and political science faculties, Muhammadiyah University of Yogyakarta. All staff members of the administration of social and political science faculty. To all staff and employees of the library of the Muhammadiyah Yogyakarta University which has helped the authors solve administrative problems. To all Candirejo village government officials who have given the opportunity to the author to conduct research and provide all the data needed. Furthermore, thanks to the Department of Transportation DIY who was willing to take the time to have an intentional discussion and interview with the author.

Warm gratitude also the authors say to all parties that the authors cannot mention one by one, for their support and attention so far. Hopefully this good deed will be rewarded by Allah SWT, and hopefully this article will benefit the reader and become a reference for further research.

Yogyakarta, December 20, 2018
