MOTTO

“Hirup mah kudu perih hela ari hayang ngarasaan hirup nu ngenah mah. Sing sabar dina ngahadapi cobaan. Sertakan doa dalam setiap usahamu, nak”

(My beloved parents)

“You can if you think you can”

(Ustadz Abdul Hamam)

“Jika semua yang kamu harapkan datang dengan mudah dan cepat, maka dari mana kamu akan tahu arti dari sebuah kesabaran”

(K.H Masruri Abdul Mughni)

“Setiap orang mempunyai waktu dan ceritanya sendiri disetiap langkah yang mereka jalani, jangan samakan ceritamu dengan ceritanya. Jangan samakan pula waktumu dengan waktunya. Everyone has their own path and clock.”
Firstly, I delighted to dedicate this undergraduate thesis to Allah the almighty god who has given me the strength, patience, health to finish this undergraduate thesis. Then, to the most perfect person in this world, to the person that always be loved by all people, the best creation ever created. I dedicate this undergraduate thesis to Prophet Muhammad peace be upon him.

The loves you give to me, the mercies you share with me, the affection you give it out to me. It means a lot for me. Thanks to my parent for supporting me, giving me advices, giving all you have for me. How lucky I'm surrounded by parents like you, proud of you my beloved parents. I dedicate this undergraduate thesis to my father Wahriyudin and my mom Juheriyah. I realize that I am nothing without you, i am useless without you. Without your guidance, i can’t pass and survive the journey. Thanks to my dearest little brother and Sister. Evelina Nawarotun Nisa and Muhammad Mufti Hakim Zain. Thanks to my family wherever you are.

I also dedicate to my family as a whole wherever you are, thanks a lot for your pure love.

And my friends: really grateful to know you, live along side with you all. Thanks a lot IPTEF batch 2014, you are awesome.

My dearest friends, thanks for the time we have spent in jogja. Dedy, Ikhwan, Rido, Ajun, Itmam, Afni, Hanif M, Tika, Jey, Zura, Adela, Hilda, farhan, Meiza, and those whom can’t be mentioned. Thanks a lot.

My best partner in nomso Jogja, Royhan and natma.

Thanks to Febri, ega and meiza for guiding me to complete this one.

My deepest love gonna share to you, my beloved university. Universitas Muhammadiyah Yogyakarta.
ACKNOWLEDGEMENT

First and foremost, I would like to convey my gratefulness to Allah SWT who has given me strength and enormous blessing throughout this undergraduate thesis entitle “the hierarchy of financial independency in the muhammadiyah’s orphanages management Yogyakarta: an ahp and swot approach”. All prices to Allah the almighty god, the most gracious and merciful.

It’s been a pleasure and honor for me to complete this undergraduate thesis. This undergraduate thesis is created to fulfill the requirement on obtaining the bachelor’s degree in faculty of economics and business, Universitas Muhammadiyah Yogyakarta.

Without the guidance and support from the one whom always beside me in supporting the truly support sincerely, the author delightedly to say big thank from the deepest heart to:

1. Dean of faculty of economics and business Universitas Muhammadiyah Yogyakarta. Thanks for guiding me and the convenience to finish this Undergraduate thesis.

2. Mom Yuli Utami and Mr Zaini Muchlis as my beloved supervisor I’ve ever meet. Your advises, guidances, and support means a lot for me.

3. My beloved father and mother, you have shown me how to be a good person, patience, and how to treat people in such a good way. All you give to me such holly water that refreshing my life. You are all I have, all I love, and I proud of you. Lastly, all my brother and sister. Thanks for supporting me. God bless you, mom and dad.

4. Last but not least, to all of my friends wherever you are. I’m really grateful to meet you all guys. See you on top. Proud of you.

5. Thank you so much to those 7 orphanges for helping me completing this one.

## CHAPTER I : INTRODUCTION

A. Background ................................................................. 1  
B. Research Limitation ..................................................... 7  
C. Research Question ....................................................... 7  
D. Research Purpose ......................................................... 8  
E. Research Benefit .......................................................... 8  

## CHAPTER II : LITERATURE REVIEW

A. Theoretical Basis ........................................................ 9  
   1. Muhammadiyah and the Orphanages .................................. 9  
      a. Short History of Muhammadiyah ................................ 9  
      b. The Development of Muhammadiyah .............................. 10  
      c. Amal Usaha Muhammadiyah (AUM) ................................ 12  
      d. Fund Resource for Orphanages .................................. 18  
      e. The Strategies to Maximize, Manage the Fund Resource and  
         Empower the Orphanage ........................................... 21
1) Planning ................................................................. 22
2) Organizing .......................................................... 24
3) Actuating ............................................................. 25
4) Controlling ........................................................... 26

f. Best Practice of Orphanage ........................................... 28

2. The Empowerment Theory ............................................. 34
   a. Power Dependency .................................................. 35
   b. Ecological System Theory ....................................... 36

3. Analytical Hierarchy Process (AHP) ................................. 40

4. Strength, Weakness, Opportunity, Threat (SWOT) .............. 41
   a. SWOT Analysis Framework ....................................... 42
      1) Internal Analysis .................................................. 43
         a) Strength .......................................................... 43
         b) Weakness ......................................................... 43
      2) External Analysis .................................................. 44
         a) Opportunity ..................................................... 44
         b) Threat ............................................................. 45
   b. Matrix SWOT ....................................................... 45
   c. SWOT Analysis Benefit ............................................ 46

B. Theoretical Framework .................................................. 48

C. Previous Study .......................................................... 49

D. Research Framework .................................................... 54

CHAPTER III : RESEARCH METHOD

A. The Object and Subject of the Research .............................. 55

B. Type of Data .................................................................. 56
   1. Qualitative Research .................................................. 56

C. Data Collection Technique ............................................... 57
   1. In-depth Interview ..................................................... 57
   2. Observation ............................................................ 58
   3. Documentation ........................................................ 58
D. Technique of Sampling .................................................................59
E. Operational Definition of Research Variable ..............................59
  1. The Hierarchy ...........................................................................59
  2. Financial Independency ...........................................................60
  3. Muhammadiyah’s Orphanages ...................................................60
F. Technique to Maintain Validity ..................................................61
  1. Extension of Observation ..........................................................61
  2. Increase Preseverance ...............................................................61
  3. Triangulation ............................................................................61
G. Data Analysis Technique ............................................................62
  1. Analytical Hierarchy Process (AHP) ...........................................62
     a. AHP Stage .............................................................................62
  2. Strength, Weakness, Opportunity, Threat (SWOT) ....................68
     a. Data Collection Stage ..............................................................68
     b. Analysis Stage ........................................................................74

CHAPTER IV  : OVERVIEW OF RESEARCH OBJECT
A. Panti Asuhan Yatim (PAY) Putri Aisyiyah ...............................75
