## TRIBUTE PAGE

Assalamualaikum wr. wb.

Praise for Allah. Read in the Name of Allah, who has created a human from a clot and read, and Allah is most precious. The elapsed time I lead with the way of life that has become my fate, sad, happy, and meet the people who gave me a million experiences for me, which have given a colorful life. I give thanks to Allah, the highest, and the justest and merciful, who has given me a chance to get to the end of the beginning of my struggle and also on fate had you make me the man who is always thinking, knowledge, faith, and patience in living this life. Hopefully, this success will be the first step for me to reach my big dreams.

For my parents, Lalu Sahabudin and Nur Asiah Jamil who always teach me what is moral and material support and prayer relentless for my success, because there is no word as the beautiful of prayers and the prayers of the most solemn nothing other than prayers that came from parents. Acknowledgments would never be enough to repay what they did to me. Therefore, here I offer of devotion and love for them, an undergraduate thesis that I have been finished on time as what they want.

For my sister, Hartimaningsih, who always give me supports when I did my thesis. Then, for my big family who always send me a never-ending pray. Allah blesses you all.

For all my best friends, who never get tired to give me support and also a lot of laughs. I do not know what I have to say again. Thanks a lot!

Thank you for everyone, may Allah bless you. I hope this undergraduate thesis will be useful for all readers. Aamiin.
