ACKNOWLEDGEMENT

In this page, first of all I would like to express my sincere gratitude to Allah SWT who always showering me with His bless all the time, giving me a chance to fix all my mistakes and my weaknesses. I also give my gratitude to His Prophet Muhammad S.A.W. as a person which has the biggest contribution to my life so I can feel and receive the blessing of God since I was born and current condition. A very special thanks also to my biggest support system, my family; Basrowi (Father), Winarni (Mother), Navid Tahsin (Brother), Poetri Oetami Yanida (Sister), Chandra Rahmawati Putri (Sister), Muhammad Adzin Khairan (Nephew), my family IPIREL 2015.

I would like to thank Ma'am Siti Mulikhati, S.IP., M.Si, my thesis advisor, whose expertise, understanding, and patience, added considerably to my graduate experience. I must also acknowledge Ma'am Nur Azizah Dr. M.Si., Mr. Sidik Jatmika Dr. M.Si., for being the examiners of my thesis (research) since proposal seminar until the final presentation. My thesis would not as well as now without their comments and suggestions.

In conclusion, I recognize that this research would not have been possible without all of people who came and go in my past and today's life
