## **Dedication Pages**

I express my sincere dedication to those who have contributed to this thesis and supported me in many ways during this amazing journey, without any of them this research work would not have been possible. Not to forget, I would like to express my deep appreciation for those who have made my college life so colorful and wonderful. This masterpiece of mine is for all of you.

First and foremost, I would like to express my sincere gratitude to my mom, my dad, my sister and my big family for supporting me financially and spiritually so I can complete this bachelor degree as expected. My mom has been a single fighter to fund my study since my dad passed away 1,5 years ago. She has been the greatest mother of all time. For my dad, I'm so thankful for every single things you have taught me, although your life was short-lived, I'm so grateful to had such an inspirational and hard-worker dad like you, I miss you so much. I hope you can see my graduation day from the heaven happily, thanks again for everything, I send u prayer every day.

Secondly, I wish to place on records my heartfelt and sincere thanks to my supervisor Mr.Bachtiar Dwi Kurniawan, MPA for providing me an opportunity to complete my undergraduate thesis. I truly appreciate his contributions of time and ideas to make my work productive and stimulating. His valuable suggestions, comments and guidance encourage me to learn more day by day. His deep insights helped me at various stages of my research. I am also indebted towards

him for his generosity, selfless support and especially for the excellent example, support and patience that he has provided to me for the last 3,5 years. Big thanks once again go to him whom I called as Mas Dwi, without him, I would have never seen the light as it is today.

Very special thanks to my examiners Mr.Bambang Eka C.W.,.M.Si and Mr.David Efendi.,MA, for the valuable inputs, corrections and suggestion during my undergraduate thesis defense. I'm beyond grateful to have such experts like you both to be my examiners because only then I can make my undergraduate thesis better and ready to be published. I also thank to all lecturers of IGOV who taught me all valuable lessons and courses during my undergraduate study, I'm beyond happy to be one of your students.

My sincere gratitude is reserved for Mrs.Mega Hidayati.,P.hd, for her strong encouragement and trust during my study here. I'm amazed that even during her busy time with family and kids, she still able to take a good care of her student and work. She is definitely an Inspiration. I'm so thankful to had such an amazing journey as her research assistant for quite some time.

For Dr.phil Ridho Al-Hamdi, thank you so much for the chance to be part of IGOV crew for roughly 9 months. I definitely learned so much from those 9 months of internship and it contributed a lot to my pocket. Thanks for all the trust and encouragement, even though we just met not so long ago but I already know how nice you are since our very first meeting. I would like to thank my very favorite lecture who was the director of IGOV, Mr.Eko Priyo Purnomo, P.hd. It

was definitely a pleasure and an honor for me to be your student and work as IGOV Student Community leader under your guidance. I remember the way you said that you always hope your students can be better than you in the future, even though that's going to be very tough considering how great you are now, that small word was very empowering and wholesome.

I would also like to take this opportunity to thank Ivan Cahya and Azhari Bk as well as their motorbike, for accompanying me during the data collection time. Your selfless support and valuable time that you guys gave to me at that time were very important to accomplish this undergraduate degree. Furthermore, thanks to Dion Satriya Adjie for giving me shelter during my thesis writings, it was so helpful and heart-touching. Your names are worth to write in this dedication page, because without you, this thesis might not finish on time. Thanks so much, brothers.

Not to forget, I would also like to thank “Komite Garis Keras” which consist of Syaiful, Ivan, Azhari, Fathul, Bagas, Yusuf, Dyas, Septian, Wildan, Harish, and Risang. I don't know how the college life would felt like without your presence, the times with you were definitely the happy moment of my life. I won't forget all the laugh, jokes, bully, or simply everything we've been through together. We will see each other again in the future when we are already “somebody”. For Solo Raya squad Esa and Yudha, I believe that we will be change maker in our community one day.

For my family KKN Internasional soka gembira, Ian, Hani, Vera, Zulfi, Bima, Adi, Desri, Wahyu, Ahlan, and Sindy. I would say that those times were amazing and astonishing. We lived as family for roughly 1,5 months and went through all ups and downs together. Be your leader that time was the best leading role I have ever had in my entire life. Thank you for being an important part of my life story. Friendship is like peeing on yourself: everyone can see it, but only you get the warm feeling that it brings.

A Heartfelt thanks to my supportive wonderful family friends Dira, Vella, Fiesa, and Putra for being my support in the moment of difficulties during the last 3,5 years. You guys were always there when I needed both mental and physical support. Thanks for tolerating my idiosyncrasies and crazy habits. You might not know this, but you helped me find happiness in being the person I really am. Thank you for making so many ordinary moments, extraordinary. I thank God for introducing such people in my life.

Thanks to my Singaporean family, Brendon, Janen, Ahsan, Chloe, Hui Xuan, Sabryna, Sarah, Celeste, Limin, Belancia, Sumin, and Tiffany. Your friendship is a special gift. Generously given, happily accepted and deeply appreciated! Not a day goes by that I don't think about how much your friendship means to me. Moreover, I would like to thank my overseas friends Jia Rong Li, Petr Vohnicky, Hochen li, An Nguyen, Yaiza, Karl Mates and Tomas Vilik for always encouraged me to finish my undergraduate thesis as soon as I possibly can. Your encouragement was really helped me to do this work faster and harder. I'm so grateful for your friendship, and even though you're far away, I know that we

are always in each other's heart. For my best-friend Ashley Cao and Nurul Sofea, I really enjoyed every single moment with you from jamming to singing together to deep talks. We had so many things in common. Memories of the times I've shared with you are the happiest.

Many thanks to my high-school friends, Melinda Kris, Ade, Puput, Cucok, Dredha, Imam, Benk, and Pongge. We met 7 years ago and still stay as a very best-friend till present. The greatest gift of life is friendship, and I have received it from the honest and kind support from you guys. To my sister from another family, Litany Nainggolan, thank you so much for all. To my lovely cousins, Arif Prasetyo and Tomo, we knew each other since we were so little. I'm beyond grateful to have such honest, out of mind, and supportive cousins. You guys are my bestfriend from the same family tree. I believe that three of us will be somebody one day and still down to earth as we always are. I dedicated this degree also for all of you.

Above all I thank Allah SWT, the Highest and Almighty one, for letting me through this journey of life. I feel your guidance day by day in every stages of this thesis. You are the one who has done a great and tremendous job for this thesis. Thank you Lord, for your endless blessing that has showered upon me. I will always remain grateful to you, Allah SWT.
