Surely, my Lord hears all prayers

– (QS. Ibrahim: 39)

I am building a house; where the floor made up of strength,
where the walls are crafted of ambition, where the roof is a
masterpiece of forgiveness. I am building my self.

One should be kinder than needed.

EXTENDED GRATITUDE

These three and a half years of my college life will always have a special place in my heart. I would not ever regret and change it for anything that I feel blessed for being a part of Universitas Muhammadiyah Yogyakarta. Here I met bunch of incredible people whom I share many memories with. Ups and downs, tears and happiness, joyous laughter as well as the downhill of my rock bottom—which I will treasure each of those in the safest place of mine. Therefore this thesis will not be as it is without them. I would like to deliver my deepest gratitude to:

1. My most amazing parents of all time (Suparman and Endang Retnowati) my love, my universe, my everything. Thank you for your endless love, support and trust. I could not even put it in words on how much I love you and how proud and grateful I am to be your daughter. Thank you from the deepest of my heart for always be my one call away, for always reassured me with those magic words, for always believed in me when I'm not even believe in my self. You both are the greatest gift that God has given me and I will be forever grateful. Thank you, bapak, ibu.
2. My righteous little brother (Nugroho Dwi Andaru) Wow, my brother indeed the best brother anyone could ask for. He's kind, super kind, and I learned a lot from him. Thank you Ndaru, for always look up to me even when I knew you are way better than me. Thank you for being my role model, your personality indeed one of a kind. Your sis is nothing compare to you and it doesn't matter, because you deserve the world. I love you and I'm wishing only good things will come your way.
3. My dear girls of "Anuil"; Alfi, Wiya, Neni, Icha, Dudung, and Pipin. My bestest bestfriend and my comfort place when I need some shoulders to rest or just joke around. You guys don't have any idea how much you mean to me

and how much I love you. Thank you for bearing with this stubborn Asti and for always there even when we were separated like miles away. I'm thankful that I have my girls who I can talk with for hours about anything and never get bored. I hope our friendship will last long till God knows when.

4. My annoying yet lovely squad "Bullyable"; Via, Nita, Mela, Anggun, Hetty, and Intan. Thank you for coloring my college life since day one (read : maba) I don't know what would I be if I didn't get to know you guys in our first semester. Thank you for all the teases and laughter that you guys brought so I could survive in those crazy years in college. Thank you for being my first ever friends when I feel like I didn't fit in, and you gave me the light that I'm actually "weird" but you guys still love me anyway hahaha.

Thank you for always opened your door and arms for me when I didn't have anywhere else to sleep nor anyone to hold on to. Thank you for all those time we spent together; the drama, the laughter, the tears, I know I can be such pain in the ass sometimes hehe, but still I love you guys, always.
6. My baba and ama (Dhijat and Amel) the one who embraced and chose me to be the "Beautiful Babes". Also the others *kakak-kakak panutan*; Boni, Siti, Yopi, Kautsar, Yessy. You guys held that really important key which introduced me to the world of KOMAHI and I am thankful for that.
7. My nyokap and bokap (Dito and Ana) followed by another "Terong Geprek Cabe"; Kak Aci, Sandi, Iyan, Awan. You guys are my source of happiness when I feel so exhausted with those endless *rapat* and overwhelming organization events. You guys are truly my role model and I feel blessed to get to know some incredible people like you, yes you guys are the best and I'm not lying!

8. My “Sarang Tawon”; Dev, Dhito, Falka, Ratna, Bunga, and Yudha. I wouldn’t be “Ambu” like I am now without you guys. Thank you for being the loudest babies ever haha you know that’s what I like most about you right? Please stay that way, keep being all over the place and spread the happiness around. Your charms are everywhere and I know each every one of you will rock the world.
9. My love, my babies BBK; Zaf, Dyah, Zain, and Caca. You guys are everything. I wasn’t expecting much but you are beyond that. Ambu will always be a proud mom. Thank you for coloring BB in these past two years with your sparkling personality. You guys are the reason Ambu kept holding on with all those ups and downs. Just only seeing you guys happy is enough for Ambu to be happy. And I learned a lot from you, so thank you so much! Ambu loves you guys, as always.
