

CHAPTER V

CONCLUSION

Finally, after doing all of the research and observation that was being done through deep analysis and understanding by using the relevant theories it was founded that there is a strong motive behind the Kim Jong Un's decision in conducting political maneuver to preserve nuclear program. There are so many variables and aspect that contribute in the decision-making process that could bring Kim Jong Un to the point where he should conduct political maneuver. The writer, after conduct a deep analysis by using the theoretical framework have come to the conclusion.

The reason why Kim Jong Un conduct a political maneuver in preserving nuclear is because Kim Jong Un need to use different approach in order to achieving different and better outcome by changing the strategy from the previous way using the confrontational straregy shown by the series of missile and nuclear test into cooperative strategy by opening peace talks and negotiations. Kim Jong Un have already reach the most important aspect he need, which is "the world acknowledgement" on the capability of Kim Jong Un nuclear program. This situation strengthening Kim Jong Un's position and bargaining power in the negotiation table.

The timing is perfect for Kim Jong Un's to conduct political maneuver by changing his move from confrontational into cooperative because the world has witnessed the serious threat that could North Korea brings, so in order to stop any possible new and escalate threat, the Kim Jong Un's opponent consider the peace talk and negotiation as a way of solution.

Kim Jong Un would not adopt this solution and implementing this cooperative political maneuver strategy if he not have a good preparation and plan towards it.

Moreover, the supporting reason is also because the sanction that given by United Nation Security Council that aimed in causing an economy breakdown in North Korea. Kim Jong Un as the supreme leader that has responsibility in making sure the country's survival have to consider any possible option that could works in two different aspect that become his major interest whcih is economy recover and the preservation of nuclear proram. The political maneuver strategy by using the cooperative strategy have proven as the best way to deal with this situation.

The fact that Kim Jong Un keep achieving a numerous of good result after conducting his political maneuver have shown that this move is very effective and suitable for North Korea. Despite the Singapore. North Korea could get all the privilege shown by the lifting of sanctions, the fixing of relation, the legitimacy that earned during the dragging world' attention and at the same time until the present time still able to preserving its nuclear program without any significant progress in nuclear dismantlement. By conducting political maneuver, Kim Jong Un have lead his country to a better and progressive direction.
