## **MOTTO**

“When there’s something you really want, fight for it, don’t give up no matter how hopeless it seems. And when you’ve finally lost hope, ask yourself if 10 years from now, you’re going to wish you gave it just one more shot.  
Because the best things in life, they don’t come for free”

“No matter how hard it feels, please remember. When the time has comes, you’re going to look back on this period of your life and be so glad that you never gave up”
