## **Motto**

“Whatever thing that we do, there is always lesson to learn and can be used in life even it is  
the smallest thing ever”

“What you will be tomorrow, it is started from today”

-Personal Principle

## **Acknowledgement**

Everything is started with Bismillah. All praises just for Allah SWT who gives blessing to everything in the world. I am thankful beyond measure to accomplish this undergraduate thesis. This thesis is a super struggle that I have finished then I would like to show my best parents that this all is for them who are always support and pray continuously ever after for me. My two beautiful sisters who always motivate me to be better than I was and my youngest brother who is always cheering me up when I looked like down at certain times. And all my super amazing family who is always asking when I am home.

Special thanks is also addressed to my awesome supervisor Ms. Indah Puspawati, S.Pd, M.A. for all her support, motivation and guide gave to me during the process of writing this undergraduate thesis. In addition, my gratitude is also expressed to my amazing examiners who gave me advice and suggestions for the betterment of this undergraduate thesis. Moreover, I also thank to all my amazing lecturers of ELED of UMY. They always give the best of them and I will be nothing without them.

Thanks to my best friends, Marisa, Ecik, Cahyani, all PWII and GEEMI members, mbak ica, mbak ira who let me borrow her laptop when my notebook was error and also my elder brother Rahmadi Gunawan who always supportes me and lent his laptop for me to finish this skripsi. Last, but not least, thanks for my online friends who were never bored asking me when I would graduate. Once again, thank you very much.
