STATEMENT OF ORIGINALITY

I, the undersigned, hereby declare that this undergraduate thesis entitled “Indonesia’s Interest in Winning “DS480: European Union – Anti-dumping Measures on Biodiesel from Indonesia at the World Trade Organization (2013-2018)” the content of this thesis and research is my own work, and that to the best of my knowledge, this thesis has not been submitted for any degree or other purposes.

I certify that the intellectual content of this thesis is the product of my own work and that all the assistance received in preparing this thesis and sources have been acknowledged.

I made this statement truthfully and in case of any discrepancy found in this statement in the future, I am willing to accept academic sanction and be processed in accordance with the applicable provisions at Universitas Muhammadiyah Yogyakarta.

Yogyakarta, July 27th, 2019

M. Maulana Iberahim

MOTTO

“He who invests on money may lose, he who invests on education has nothing to lose but gain”

“When writing the story of your life, don not let anyone else hold the pen”

“Study hard, play harder”

“Was mich nicht umbringt macht mich stärker”

ACKNOWLEDGEMENT

First and foremost, I would like to praise Allah the almighty for granting me strength and encouragement during my studies until I could finish this undergraduate thesis. Without His will and blessings, I would never be able to pursue the Bachelor of Political Science degree.

My deepest gratitude is addressed to my advisor, Dra. Mutia Hariati Hussin, M.Si her assistance, continuous supervisions, supports and constructive advices throughout the whole process of the research, since the first time I proposed the day I defended my thesis to the board of examiners. I also send my gratitude to the board of examiners of my thesis defense: Dr. Sugeng Riyanto, S.IP., M.Si., Ali Maksum, Ph.D., then the examiners of my thesis proposal: Prof. Dr. Tulus Warsito, M.Si. and Drs. Husni Amriyanto Putra, M.Si, for the constructive feedbacks and inputs during and after the thesis defense.

EXTENDED GRATITUDE

Within this page, I would like to extend my gratitude for all forms of supports given to me during my study at Universitas Muhammadiyah Yogyakarta. I dedicated this thesis and would like to personally thank:

1. My dad (Drs. Arman Thaupani, M.AP.) and mom (Siti Hamdah, S.Pd, M.M) for always supporting me in every condition no matter how much distance we are remoted. Thank you for always believing me as your son for whatever track I chose. I hope that you are always happy, healthy, and longevity to witness your son to become a successful person in the future. Bring my own beautiful kids as you wish.
2. The only one sister I have, Mulida Agus Tiarma – although you did not finish your uni study, but hopefully you always healthy and happy. Please finish your current study and get a degree to find a proper job. Eventually, find someone whom you can trust. Come on you are getting older, please find a husband.
3. Korps Mahasiswa Hubungan Internasional (KOMAHI) Universitas Muhammadiyah Yogyakarta (UMY) for being a home. A long unforgotten journey of three years of processing, learning, experiencing something new. Thank you for teaching me how to organize and handle every situation.
4. Pers Mahasiswa KOMAHI UMY, as my department I was working at. Thank you for teaching me many things, the definition of family, hard work, and creativity.
5. Transletin, Adhie, Kahfi, Ian, Dini, Ojan for hard works building a not-easy-startup. Surely, Transletin needs more development and people who have same energy as you guys.
6. Generasi Indonesia Mengabdi #3 as a second family. Remember we were striving together to prepare the community service in Sajang, Sembalun, Lombok Timur.

Even though we only had three weeks of community service due to the earthquake. I believe the community service does not end there yet. We surely have our successor and always be.

7. 'Asyhadu' for a great co-worker as liaison officer in various agendas which give me very tremendous great experience as a liaison officer.
8. Dr. Christoph Behrens, Dr. Sugeng Riyanto, S.IP., M.Si, Dr. Ahmad Sahide, Ratih Herningtyas, S.IP., M.A., for trusting me to be your academic tutor/teaching assistant. What a great experience and opportunity to become an academic tutor for several subjects, namely World History, Japanese Government and Politics, Political Ideas, Indonesian Political System, and Strategic Studies.
9. Michelle and Okky for always listening to my problems. I am sure we have some difficulties in our life but believe me the storm will end. Not because we are drowned cannot do anything, but because we survived.
10. Karina Farraswati Mudjarab, for being one truly supporter during my writings and research of this undergraduate thesis. The ups and downs we had made me stronger every time. Every experience we had was a very wonderful time. I could not forget what we had. You are very thoughtful person.
11. IPIREL '15, Hafidz, Ammar, Gusti, Hangga, Adi to be the first-year classmates.
12. 'Neneng Residence' Heriawan, Reza, Nabil to be a wondrous housemate for a year. We should definitely cook a meal and have our lunch together.
13. Kingli Coffee for a place to hang with. Dunkin Donuts Jakal KM5.5. and many other coffee shops and wi-fi connection for providing a connection and lots information to support me writing my thesis.

Thank to everybody whose name could be named one by one. Thank you for everything during my study at Universitas Muhammadiyah Yogyakarta.
