Let’s start by Evaluating

- Circulation and penetration: the paper with the largest circulation won. Penetration is the percentage of people or households that get the paper.
- Quality indicators: News hole (percentage of news items: the bigger the news hole, the better. Content: Is local coverage? Is it accurate?
- Staff: What kind of professionals report and edit of the paper? Beginner?
- Management: Does leadership rotate in and out, with individuals focusing on making a name in order to move up in the corporate structure?
