## OFFERING PAGE

Alhamdulillahirabbal'amin

I dedicate this thesis to people who are very meaningful in my life :

Firstly, my mother (Sumiati), thanks for the prayers, support, and advice, that I can complete this thesis. Thanks to my greatest mother who always pray for me in every prayer to support all my affairs. I hope that my mother will always be delegated with health in order to always be able to support all her children to be successful individuals who can fulfil their dreams.

Secondly, my father (Tukimin), the figure who is extraordinary, great, persistent and sincere in working. Thank you for the support and attention so I can finish this thesis, thank you for educating and providing good education until now, may Allah always protect my father and promise health to my father to always support and educate all his children to become children who can exceed their father.

The third, my brother (Bambang Hariyanto and Bagus Hadi Saputra), thank you very much for your support, hopefully I can be a good example for all of you.
