EXTENDED GRATITUDE

This undergraduate thesis was only possible with the incredible support from those who are meaningful for me since the start, the process, and the completion of pursuing my undergraduate degree. Nothing, but how thankful I am for having them. Words might be not enough for extending my sincere gratitude, but only through this page I dedicate this undergraduate thesis to those whom I want to wholeheartedly and personally thank:

1. The best father in the universe (Subagyo Wahyono S.Pd.) and my beautiful, strong, sweet and perfect mother (Suprapti S.Pd.). It's hard to put into words exactly how thankful I am for you and everything you have ever done for me. I was blessed with the most amazing parents in the world. I was nobody without you. Thanks for supporting me and always being there for me. I love you to the moon and back.
2. My gorgeous sister (Septiany Punti Dewi) and the most incredible brother (Alm. Luthfi Hamid). Stars in the universe can't be used to calculate how thankful I am to have you in my life. To my beloved sisters, thank you for always supporting and providing help in every way, you are true definition of beautiful. Good luck on your dreams! Dear my brother, I know you are now happy in heaven, I can't believe it, but trust me, you are still on my deepest heart. If I could ask one wish, I wish you were here, and see you little brother. I dedicate this achievement for both of you. I Love you so much.
3. Special thanks to Dr. Sugeng Riyanto, M.Si., for the guidance and patience in advising and supervising me, so that I can finished my thesis. I can't imagine how it would be, if you are not supervising me in writing my thesis. Your

advice and support means a lot to me. I wish you a very wonderful life ahead.
