## ACKNOWLEDGMENTS

First of all, I would like to praise to Allah S.W.T, the lord of the world the greatest and the almighty for granting me strength and encouragement during my studies and to Prophet Muhammad S.A.W that has been brought us from the darkness to brightness in Universitas Muhammadiyah Yogyakarta until I could finish the theories in the University and foremost my undergraduate thesis. Without the guidance and enlightenment from Allah SWT I would never be able to earn my degree as the Bachelor of Political Science.

My deepest gratitude is addressed to my supervisor, Drs. Husni Amriyanto P, M.Si. for his assistances, continuous supervisions, enlightenment and never gets bored to give me critical thoughts until I can find and elaborate my ideas by detail and structured in one completed undergraduate thesis.

Yogyakarta, 13 July 2019.

## EXTENDED GRATITUDE

In completing this thesis, I express my gratitude to Allah SWT, who has given various kinds of lessons, gives many infinite favors, gives many endless sustenance and always gives help when his servant is in a difficult situation, thus making the writer a figure strong and strong again patient in facing the most difficult situation ever experienced.

Then, the lord of nature, the great prophet, the love of the people, the Prophet Muhammad. Those who have provided guidance for life on this earth, enlighten their zeros to the present, so that they can teach a straight path that is always loved by Allah SWT.

Besides that, I would also like to thank various parties who have colored and provided the best experience for me for the past 4 years. Among others:

1. The first one, beloved mother, woman who for me is the most formidable woman on this earth. Those who always pray in any situation and always support under any circumstances. Forgive your child who always makes you worry because you rarely contact and rarely give news. Forgive your child who always asks and you have never refused any request to support the educational process that I traveled. Thank you for helping to get your bones to make a living for the success of your children.
2. Second to Father, Thank you for the trust that has been given, so I was given the opportunity to get an education in this student city since I was in high school until I was able to give pride by graduating in college.
3. HI UMY lecturer, who has helped a lot and gave me a lot of amazing knowledge. Especially to Drs.

- Husni Amriyanto P, M.Si as my thesis supervisor who has been patiently waiting for me when it is difficult.
4. Staff HI UMY for always helped in my administration process during college, starting from Mr. Waluyo, Pak Jumari, Mba Mila, sorry for always being troublesome all this time.

## **ABSTRACT**

This paper is intended to find out about Russia's efforts to strengthen its bilateral relations with Iran which has been challenged by America and several of opposite countries. This opposition has led Russia and Iran to be hesitant in collaborating on a nuclear development program. This paper focused on arms trade and nuclear programs carried out by Russia along with Iran. In line with National Interest and Foreign Policy of Russia through Iran, Russia is able to maintain Russia-Iran relations to be more integrated especially in the arms trade that has been carried out for a long time. This trade in arms trade is believed by Russia and Iran as a project that benefits both countries in the military and economic fields.

Keywords: Russia, Arms Trade, Threat, Iran
