EXTENDED GRATITUDE

I dedicated this special page to extend my deepest gratitude for both emotional and moral supports during my college years. Please note that these are also the things I really meant to say in person yet I never actually did. I would like to wholeheartedly and personally thank:

1. My very supportive family whose support are immensely imperative toward the start, the process, and the completion of pursuing my undergraduate degree. I want to thank my father – Sugeng Wahyudi S.H., M.M, whom I cannot describe how he always tries really hard to make sure his children are equipped with the knowledge, skills, and abilities to make it as a competent human being. I also want to thank my beloved mom – Wigati Haryati S.H., M.H, for always becoming an inspiring model for her hard-work characters including her selfless and patience. Equally, to the greatest brother alive, Ghani Yoga Pratama S.H, who may not always be there physically but I know he has always been supporting me in life.
2. My senior, Kak Etik Siswati Ningrum, the one who inspired me the most to finally choose this topic as my undergraduate thesis. Your encouraging feedbacks and timely helps have made the completion of this thesis not only possible, but also rewarding. Thankyou for being willing to help and offer me advices even when you had plenty works to do, kak.
3. My (so called) best friend, Syifa Nadiya Nursabitha. Everyone needs at least one ‘Ipoy’ in their lives, and I really am grateful to have one. Your bubbly personality somehow fills the gap between my personal survival and vulnerable mind. Thankyou for always make time, even when many people don’t. There will be never enough words. We’ve come this far, poy. Here’s to much bigger responsibilities.

4. Nadia Atma, the person whose the existence will remain essential in my chaotic-college-days. Life was soo much easier on the very first day we met ya, Nad? Thankyou for giving me so much of yourself with no expectation in return.
5. The one who doesn't have the word "busy" in her dictionary, Fauziah Parisa. Thankyou for always lifting me up at my worst, even if it means putting your priorities aside. Thankyou for simply existing, fau.
6. Wynna Khalida, you've become the living proof on how I was struggling to fight my fears and anxiety during college. *"I know you'll grow even more."* was the words from you that keeps me survived until today. Thankyou for helping me to find the courage I had lost in the early semesters.
7. My "Inner Circle", *they said* – Onyons; Medina, Stipani, Dheanada, Azka, Wynne, Arnisa, Lida. You guys have been giving me the emotional support I always needed, thanks for hanging in there with me.
8. I also want to thank the most understanding circle I ever encountered with, "Jelekori" – Zukhruf, Nadia Rossa, and Ahmad Sidik. You guys have always been there through my thick and thin and I genuinely am proud to call you my family. Oh, and thankyou for always being my reliable source of ghibah.
9. My internship mates – Ines and Rizaldi, thankyou for all the unwavering support. Billy, Adip, Risang, Tara, Otin, Rara, Hizam, Khalif, Dicky, Zaky, I gained a new sense of professionalism and learned a lot from you guys. Thankyou in advance!
10. My other close friends whom I spent most of my college days with – Indah, Kodong, Hilda, Syaroh, Annisa, Elda. Without your presence, my college days would be just plain lame. You guys matter, thankyou!
11. Equally special thanks to my childhood friends – Nada Lathifa and Baikhati Elok. I have known you for 12 years and you guys remain to be supportive throughout my rough days. Grateful to have you both.

12. My highschool fellas – Tobi, Ridwan, Stela, Salma, Nisa, Wiki, Zumrotul, Dewi. Thankyou for always being there even when everything's falling apart. Please note that you guys mean a lot.
13. My not-that-important-circle, “Ada Kawan” – Betto, Gilang, Fadel, Abu, Ihsan. Although your existence is not that influential in my thesis period, but it's okay, I still love you boys.
14. My Erasmus hommies – Sara, Cai, Maria, Javier. You guys may not always support me here physically but thankyou for always encouraging me to immediately finish my bachelor degree. Te extraño, y mucho.
15. Those who came all the way both to my undergraduate thesis proposal and thesis defense examination. I will always remember and keep you all as one amongst the precious memories of my college life.
