Bagian 1 Video Power-point: Argumentative Essay Guideline

What kind of essay is Argumentative Essay?

- Unlike other previous essays (comparison-contrast and cause-effect), argumentative essay starts from reading many sources.
- The idea that becomes the topic of this essay comes from a lot of reading, which makes a reader form his/her own opinion. This does **not mean that it is just a compilation of sources**. The writer still must have his/her opinion on the matter and his/her deep analysis.
- It usually shows a strong stance of a writer. This means that in its thesis statement, readers already can see that the writer agrees or disagrees with the point that becomes the focus of the essay.
- The body paragraphs include some debates.

Soulmate on the Wires

Started in an online chatroom fifteen years ago, Zuri and Feby's relationship is getting stronger now in their cross-culture marriage. Across the ocean, a young couple, met incidentally on Facebook. Now, they live happily with a newly born son. **These two success stories of couples meeting online are no longer unique.** People's belief in meeting spouse online also seems to increase. In fact, there are approximately more than **8000 dating sites at the moment** (Zwilling, 2013). This number seems to not show a decrease any time soon despite the doubts from some sceptics. **This goes to show that online relationship is a promising alternative for anyone who wants to find their true soulmate in real life since it offers the chance for self-selection and a wider opportunity for people with any personality.**

Meeting a spouse online can give you time for self-selection before the real meeting. When people register to an online dating website, their aim is already clear, which is meeting someone to start something, be it just a short fling or a long-time relationship, or even friendship. This means that the person is prepared to showcase their best side and have made a choice based on their
