MOTTO

Wahai Tuhan, itulah pertama yang diucap dari hatiku
aku selalu mengingat-Mu dalam kesepian dan Keramaian (La-Tahzan)

“Aku Bahagia Menjalani Hidup Dengan Apa yang Aku Yakini Kebenarnya”

Orang Yang Bahagia ialah Orang yang Selalu merasa Cukup dan Selalu Menysukuri Nikmat Tuhan
nya
(Ellyn Rossita El-Ghalaby)

Nikmatilah Harimu dan Bersungguh-sungguhlah. Carilah sesuatu yang dapat mencegah penderitaan
sebelum penderitaan itu datang menyerangmu (Dr. Aidh al-Qarni)

“Wahai Allah, Engkau adalah Tuhan. Tiada Tuhan selain Engkau. Engkau telah menciptakan aku dan aku adalah hamba-Mu. Aku berada dalam janji dan akan menepati perjanjian itu semampuku. Aku berlindung dari buruk yang aku perbuat. Aku mengakui nikmat-Mu padaku. Aku mengakui dosaku. Ampunilah aku, sesungguhnya tidak ada yang mengampuni dosa kecuali Engkau”. (terjemahan Qs. Adz-Dzariyat:50)

PREFACE

This undergraduate thesis tried to discuss about the Indonesian's Economic Policies to Overcome the Impacts of the United States' Financial Crisis 2008-2009. In 2008 the crisis was happen. The trigger of the crisis that time is financial crisis which happened in the United States of America. This crisis happen because of credit stagnancy in property sector which involved two big Investment Banking companies namely Lehman Brothers and Merrill Lynch which caused the value of stock in Wall Street stock exchange decreased. As the domino effect of the bankrupt of these two companies, it ruins the stock rate in the most part of the world such as in Asia, Australia, and Europe. The impact of this crisis for Indonesia, in trading and industry sectors is the falling value of the stock exchange rate, exporter should reschedule the sending of the package to USA because of the demanding of the importer in America. If this situation keeps continue, the company will unemployed some of the employees in order to save their companies and so on. The question was what Indonesia should do to anticipated the effects of the crisis mortgage it self. So by that, the Indonesian government was established steps to reduce the effects of the United States' financial crisis in the Economics of Indonesia. On the other side, this undergraduate thesis is also written in order to fulfill one of the requirements of
