Acknowledgement

First and foremost, all praise be to Allah Subhanahu Wa Ta'ala who gives health and capability to finish this undergraduate thesis. Secondly, I would like to express my gratitude to my advisor, Ms. Indah Puspawati, S.pd., M.A. for her support, patience and encouragement throughout my undergraduate studies. It is not often that one finds an advisor that always finds the time for listening to the little problems and barriers that unavoidably crop up during finishing this research. Her very detail technical and editorial advice was essential to the completion of this research and has taught me innumerable lessons and insight on the workings of academic research in general.

Besides my advisor, I would like to thank the *skripsi* examiners: Dr. Suryanto and Mr. Gendroyono, M.Pd. Thanks for their insightful comments and encouragement, even for hard question which incited me to widen my research for various perspectives.

Most importantly, this research could not have happened without my family. To my parents who always give support to me through phone call. They received my deepest gratitude and love for their dedication and support during my undergraduate thesis that provided the foundation of this work. Besides, I give thanks to my brother Tio Fahirzi Andika, his support and encouragement were also the reason what made this research possible. This undergraduate thesis is dedicated to their unconditional love and encouragement.

I have many people to thank for listening to every single up and down during my study in this university. I thank to all of my English Education Department friends who always motivate me to work hard on my undergraduate thesis. They are Zali, Eko, Hanjaya, Fajar, Kenang, Wahyu, Sidik, Al, Aris, Riska, Trisna, Upik, Caca, Esih, Tyas, Dani, Haki, Oka, Tivani, Nur Anggraini, Anisa Arifiani, Kiki, Ayum, Wanda, Hafidz,

Aji, Catur, Oja, Husni, Heri, Fendy, Rio, and Fany . I also must thank to every member of Badan Eksekutif Mahasiswa FPB and also EDSA PBI UMY. For many memorable in every step of my life in this University, I must thank everyone above.

I also thanks to my boarding house mates Toni, Dian, Eprin, Haris, Reza, Rizar, and Aldo, for all fun we have had in the last five years. I also dedicate this undergraduate thesis for my best friends, Nur Amanatunisa, Putry Debby, Willah, Gladian Pratami, Hazmi Rahman Adi Wibowo, Abizar Widi, Sofyan Asari. You guys have really motivated me to keep working on my thesis and finish it soon.
