Acknowledgement

All praise to Allah who gives the writer strength and patience to finish this research. All praise to Allah is the manifestation of the weakness of His creation. Along I have gone through many obstacles to complete the research, Allah gives His mercy to ease me during conducting the research. Therefore, I am very thankful to Allah swt.

By this, I would like to express his gratitude to the most people who summoned up the writers' courage in this research. This appreciation is addressed to

1. My beloved parents Lalu Safe'i and Nila Sari and also my youngest the only brother I love Lalu Rapi Muhammad Akbar who have countless time to support, motivate and courage the me in every helpless circumstances.

2. My great and magnificent supervisor, Dr. Suryanto, who had lead, taught and motivated me to go through the research accomplishment.

3. All of my EED of UMY lecturers who have participated in my education.

Thank you for devote your knowledge, patience, tolerance, and skill in my meaningful learning process.

4. My respondents who contribute the huge role in his research, thank you very much for being my respondent voluntarily.

5. All of my beloved and kindly friends Panca Riko, Rio Fernando, Mardiana Harahap who helped me in editing my skripsi and all my friends and juniors at Belitung's dormitory, the crew of Dapur Kamila Restaurant and AMCORS' crew thank you for giving me beneficial experience. Last but not the least,

who always in my memory, alm. Dwi Eko Sampurno, thank you for being my best friend forever.

I do appreciate the support. Without those supports, this research would not be accomplished even though this is far away from perfect. I hope that this research will bring beneficial to other readers.
