Statement of Authenticity

I hereby certify that this *skripsi* is definitely my original work. I am completely responsible for the content of this *skripsi*. Any theories, findings, and research techniques which are not my own are quoted or cited in accordance with the standard referencing practices. Theoretical contribution and findings in this *skripsi* are truly my original word and have not been submitted for any degrees in other University or Institution.

Yogyakarta, 23 December 2016

The researcher,

Reni Tri Wulandari

Acknowledgement

First of all, the researcher wants to say Alhamdulillahirobbil'alamin, all praises do to Allah SWT, Lord of the word because of His Mercies and Blessing. She could pass obstacles both when she conducted the research and when she reported all in thesis. Without it she would have never been able to complete this *skripsi*. The researcher thanks God for all strength given to her when the researcher went through the difficulties.

The researcher would like to express her sincere gratitude and appreciation to her best supervisor, Sri Sudarsi, S.S, M. InT. for her time, guidance, suggestions, patience, encouragement, support and motivation when researcher was doing the research and reported into thesis. Her supervisor always opened her mind when researcher got stuck in doing her thesis.

The researcher would like to thank Miss Puput Arfiandhani, S.Pd., M.A, the first Examiner for her time and suggestion wrote the thesis. The first examiner gave researcher a way out when researcher got lost in doing the thesis. Moreover, she would like to thank the second examiner Miss Fitria Rahmawati, S.Pd., M.Hum, for her time and suggestion wrote the thesis especially in analyzing the data and All Lecturers in PBI, the researcher cannot be mentioned one by one.

The researcher also thank Drs. Agus Waluyo, M.Eng,. The principal of *SMK N 1 Godean* who gave permission to conduct this research in *SMK N 1 Godean*. The researcher would like to thank Mrs. Dra.Ririn Laksmi Susanti and Mrs. Wiwik Kandhihowo.S.Pd, the English teacher of eleventh grade of *SMK N 1 Godean* who had permitted to conduct the research in her classroom. The

researcher thank eleventh grade students of *SMK N 1 Godean* for helping and be cooperative in conducting research in their class.

This is the researcher's biggest gratitude for her beloved family. The researcher thanks her wonderful parents, Sukardi and Sarbinah for their understanding, patience, love, pray and support. She also thank to her handsome brother Agung Nugroho who always support her go on and for praying for her success. And also for her nephews, Riska, Andhin, Faris, Aji, they are her power and spirit to be success. Her sister and her older brothers, Ani Dwi Rahayu, Ana Dwi Raharjo and Eko Purnomo with his wife who always support her, thank you for giving her a life tuition.

The researcher would also thank to her best friends in PBI A 2012 class, Kawaii girls; Nur, Dewi, Ipan, Lia, Erni, Lina, Erlin, Bundel who always support her and make her smile when she have gotten down to face all of her problems which were disturbing to finish her *skripsi*. She also thank for her other best friends at her previous school, Wija, Yeni, Yati, Umi, Wina, they always support her in every single days during the *skripsi* process.

The researcher likes to address gratitude to her beloved best friend ever NurYasin for his support, engagement, love, encouragement, jokes and happiness. He always listen to her complaints and always make her to be more sincere and strong enough on facing all of the problems and forgot all the burdens for a while.
