PREFACE

This undergraduate thesis tried to discuss about the The Failure of UN In Controlling of Israel Weapon of Mass Destruction (Study Case: White Phosphorus used in Gaza War in 2008). After Cold War era, there were arm race that involve developed state. Because the development of weaponry system are fast, UN has responsibility to controlling the development of weaponry.

Conflicting issues in Gaza strip war that involve Israel and Palestine is one of the example how weaponry system work. In that time, White Prosperous used by Israel already destroyed Palestine, hurt a hundred people, and also killed a thousand of Palestinian. Thus, this thesis will discuss more about The Failure of UN In Controlling of Israel Weapon of Mass Destruction.
