Title : An Assesment Level of Satisfaction on Pedestrian Area
Program in Surabaya

Hereby declare that, this thesis is result of my own scientific research and not ever proposed to obtain an academic degree by others. As for the work or opinions of others which deliberately quotes in writing accordance with the applicable rules of academic writing.

I make this statement with full responsibility and I am willing to accept any consequences if the rules that apply at the later in the know that this statement is not true.

Yogyakarta, 5th March 2014

Author,

Siti Adnan Kotarumalos

DEDICATION PAGE

I would like to extend my thesis to :

✠ My beloved parents. Mama, and abah, My beloved sisters n little brother

✠ All my junior IGOV and IP Regular.....

✠ And also for someone who will be my best partner, my leader that I would share the rest of my life.

MOTTO

Simply of life is balancing and struggling. Nothing everlasting!

“ Hai orang-orang yang beriman, Jadikanlah sabar dan shalatmu sebagai penolongmu, sesungguhnya Allah beserta orang-orang yang sabar (Al-Baqarah: 153)

✚ Berusaha dan berdoa adalah langkah terbaik dalam mencapai suatu keberhasilan. Berusaha tanpa berdo'a adalah kesombongan. Berdo'a tanpa berusaha mustahil.

ACKNOWLEDGMENT

Alhamdulillahirabbil'alamin, All praise to be Allah SWT, who has given me an opportunity to accomplish my Undergraduate Thesis in Universitas Muhammadiyah Yogyakarta. God Thanks for being my best partner to talk and always beside me to make me strong, and I do believe no one's could replace your great sincerity and goodness. Last, despite this Thesis is probably beyond one's expectation, yet their writer hope that it could benefit for all human beings with the presentence of this thesis. Amin.

I would like to extend my deep gratudtion to:

- My beloved parents mama and abah who has given me everything that i need and always support me to achieved my dreams and always trust me in every single decision. Thanks alot ma, bah how lucky I'm tobe your daughter. Thanks for your love, your sincerity, kindess, supported, care, pray and now I can passed this steep. Alhamdulillahhhh,.....
- For my beloved sisters k'ira,k'oly, wia, ima and the youngest the one and only,little boy fir thanks tobe my good patner in love and thanks for loving me n support me i love you all.
- For my beloved causin Halida, tuty, and my beloved nephew Amin,abg mawan, my new sister tyas and all that support me thanks a lot ya i really love you guys how lucky I'm tobe yours.. muaaah
- For my first advisor miss Ama, thanks a lot for teach me how tobe a good researcher especially in basic step, teach me how to faith to do something, teach me how to write thesis in perfectly way and lot of things that i can't mention at all, honestly i can't forget you're sincerity the way to teach me how to write thesis in every single words I complitety apologize for any mistaken that i made.
- For my second advisor Dr.Nurmandi that open hands to teach me and lead me until i can passed this thesis thanks pak Nur. Finally we can passed this thanks also tobe my great patner disscusion and share about urban planning and land use management thanks a lot sir *toash!!!

- All of my lecture thanks for everything especially Pak awang, Pak Tunjung, Pak Bambang, Pak Zuly Qodir, Pak Suranto, Bu Erni, and all that i can't mention one by one, thanks a lot.
- My beloved buk ning, pak wisnu and pak wahid matur nuwun sangat njeeh atas semua bantuannya.
- All my best friend, K'ida, mimi poci, k'ega jidat, handri PR3, tian artis sabun mandi, dan bang utet jomblo yang legant hahahah.. makasih atas kisah senang, sedih, konyol, dan hal2 bodoh yang kurang lebih empat tahun ini kita jalani bersama, jika tua nanti kita telah hidup masing-masing akan ku jelaskan kepada anak-anakku kalau kalian pernah menjadi bagian terindah dalam hidupku. *eaaaaaa... hahah. buat bang sutet, handri, tyan, dan k'ida cepett nyusul yaaak. Aku sayang kalian semua, hidup IGOV'10!!!!
- Untuk teman-teman SMA ku, Kiki dora, vava, nuning, mas ari, widya, mamasky wiana, abduis broken, umen, safina, yani, dan semuanya yang tak saya sebutkan satu-satu makasih buat semuanya Beta sayang kamong.
- Buat teman-teman se-angkatan IP 2010, tetap semangat yaa!!!
- Buat mb'anes, wulan akhirnya ya kita lulus juga gak sia-sia sebulan bertapa di kamar, wkwkwkwk. Buat dek yeni yg masih semester 2 cepat nyusul kami yaa dekk.. ☺☺☺
- Buat adik-adikku IGOV' 11 Vito, Mascu, Dulce, Tyra, Sigit, Roman, dan Robiah. Yg pinter ya kuliahnya tetap cemumudddh yaa
- My beloved bro n sis IGOV 2012,2013 keep fighting!! I Love youu :*
- All the respondents who has fill up the questionnaire thanks a lot.

Dengan segala kerendahan hati, penulis mengharapkan kepada para pembaca dapat memberikan kritik dan saran yang bersifat membangun dimana nantinya untuk penyempurnaan dalam tulisan selanjutnya. Akhirnya, penulis berharap semoga dengan adanya thesis ini dapat bermanfaat.
