ABSTRAK

Tujuan penelitian ini untuk mengetahui dan mengkaji pelaksanaan kebijakan ADD serta faktor-faktor pendukung dan penghambat pelaksanaan kebijakan ADD di Desa Krakitan Kecamatan Bayat Kabupaten Klaten. Ruang lingkup penelitian ini adalah menganalisis pelaksanaan pengelolaan kebijakan ADD meliputi proses perencanaan, pelaksanaan serta pertanggungjawaban ADD pada tahun 2017 berdasarkan Peraturan Bupati Klaten Nomor 50 tahun 2015 Tentang Pedoman Pengelolaan Alokasi Dana Desa.

Informan dalam penelitian ini sebanyak 15 informan dari 11 perwakilan masyarakat desa termasuk RT dan RW, dan 4 orang aparat desa meliputi Kepala Desa, Sekretaris Desa, Kaur Keuangan Desa dan Ketua Badan Permusyawaratan Desa (BPD) yang selanjutnya dilakukan wawancara secara mendalam. Analisis yang digunakan adalah analisis deskriptif kualitatif.

Hasil penelitian ini menunjukkan bahwa pelaksanaan kebijakan alokasi dana desa di Desa Krakitan sudah berjalan dengan baik karena sesuai dengan peraturan yang mendasari yakni Peraturan Bupati Klaten Nomor 50 tahun 2015. Namun partisipasi masyarakat dalam proses perencanaan masih kurang, hal ini terlihat dari keterlibatan masyarakat dalam musyawarah perencanaan pembangunan desa (Musrenbangdes). Rendahnya partisipasi masyarakat dalam proses perencanaan dikarenakan kurangnya sosialisasi dan transparansi informasi pemerintah desa kepada masyarakat terkait kebijakan alokasi dana desa.

ABSTRACT

The purpose of this research is to know and assess the implementation of ADD policy as well as the supporting and inhibiting factors of ADD policy implementation in Krakitan Village, Bayat Sub-district, Klaten Regency. The scope of this research is to analyze the implementation of ADD policy management including planning process, implementation and responsibility of ADD in 2017 based on Regulation of Klaten Regent Number 50 year 2015 About Guidance of Fund Allocation Fund Management.

The informants in this study were 15 informants from 11 village representatives including RT and RW, and 4 village officials included Village Head, Village Secretary, Village Finance Chief and Chairman of Village Consultative Board (BPD) who then conducted in-depth interviews. The analysis used is qualitative descriptive analysis.

The results of this study indicate that the implementation of village fund allocation policy in the village of Krakitan has been running well because in accordance with the underlying regulation of Regulation Klaten No. 50 year 2015. While public participation in the planning process is still lacking, it is seen from the involvement of the community in planning deliberation village development (Musrenbangdes). The lack of public participation in the planning process is due to the lack of socialization and transparency of village government information to the community regarding village budget allocation policies.
